ASSIGNMENT

Serconet Ltd. (an Israeli company), having offices at **16 Ha'Haroshet Street, POB 2009, Ra'ananna, 43657, Israel**, the undersigned Assignor, for good and valuable consideration, the receipt of which is hereby acknowledged, confirm that it has sold and assigned, and does hereby assign, sell and transfer to **MobileAccess Networks Ltd. (an Israeli company)**, with offices at **Ofek One Center Building B, Northern Industrial Zone, Lod, ISRAEL 71293** and to its successors, assigns and legal representatives, collectively hereinafter referred to as the ASSIGNEE: (1) its entire right, title and interest for the United States and in all countries, in and to any and all inventions, discoveries and applications which are disclosed in the applications for United States Letters Patent and Patents identified in attached Appendix A, including any subsequently filed patent applications, which claim priority to the identified patent applications, and including any provisionals, renewals, revivals, reissues, reexaminations, extensions, continuations and divisions thereof and any substitute applications therefor; (2) the full and complete right to file patent applications in the name of the ASSIGNEE, its designee, on the aforesaid inventions, discoveries and applications in all countries of the world; (3) the entire right, title and interest, including the right to sue and collect damages for past infringements, in and to any Letters Patent which may issue thereon in the United States or in any country, and any renewals, revivals, reissues, reexaminations and extensions thereof, and any patents of confirmation, registration and importation of the same; and (4) the entire right, title and interest in all Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority in any country of the world, in and to the above inventions, discoveries and applications.

The Assignor hereby authorizes and requests the competent authorities to grant and to issue any and all such Letters Patent in the United States and throughout the world to the ASSIGNEE of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by the Assignor had this assignment, sale and transfer not been made.

The undersigned agree(s) to execute all papers necessary in connection with any interference which may be declared concerning this application or continuation or division or re-issue thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The undersigned agree(s) to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent to the Assignee.

The undersigned agree(s) to communicate to the Assignee or representatives thereof any facts known to me (us) respecting the invention and improvements thereof, and will, upon request, but without expense to me (us), testify in any legal proceedings regarding the invention.
