ASSIGNMENT

WHEREAS, We, the below named inventors, [hereinafter referred to as "Assignors"], have made a design invention entitled "UTILITY PLUG-IN" for which We executed an application for United States Letters Patent on the date shown below; and

WHEREAS

Assignee:	Tantalus Systems Corp.
Jurisdiction:	British Columbia, Canada
Address:	301-3480 Gilmore Way, Burnaby, British Columbia, Canada V5G 4Y1

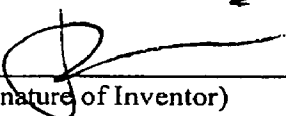

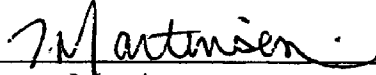

(hereinafter referred to as "Assignee")

is desirous of securing the entire worldwide right, title and interest in and to this invention, the application for Letters Patent therefor and the Letters Patent to be issued upon this application;

NOW, THEREFORE, be it know that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire worldwide right, title, and interest in this invention, and to all patent applications thereof, and all divisions, and continuations thereof, and all Letters Patents of the United States, of Canada and of any other country which may be granted thereon, and all reissues thereof; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States, of Canada and of any other country to issue all Letters Patents for this invention to Assignee, its successors and assigns.

AND, We HEREBY further covenant and agree that we will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me respecting this invention and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to said Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States of America, in Canada and in all countries worldwide.

IN TESTIMONY WHEREOF, We have set our hands.
