ASSIGNMENT OF PATENT RIGHTS

WHEREAS, **Fire Rated Product Specialties Corp.**, a Minnesota corporation, formerly known as Cubicles Plus, Inc., having its principal place of business at 901 North 3rd Street, Suite 130, Minneapolis, Minnesota 55401 (hereinafter "Cubicles Plus"), is the owner of all of the right, title and interest in the patents and patent applications set forth in Schedule A (hereinafter "Patent Rights"); and

WHEREAS, **E.Z. Barrier, Inc.**, a Minnesota corporation having its principal place of business at 13220 Birchwood Lane, Burnsville, Minnesota 55337 (hereinafter "E.Z. Barrier"), desires to acquire the entire right, title and interest of Cubicles Plus in such Patent Rights and the underlying inventions throughout the world, and any and all Letters Patent of the United States and all other countries throughout the world which have been or may be granted therefore;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Cubicles Plus hereby sells, assigns, transfers and sets over to E.Z. Barrier all of its right, title and interest in and to the Patent Rights and underlying inventions throughout the world; any and all Letters Patent of the United States and foreign countries which have been or may be granted therefore; any and all divisions, continuations, continuations-in-part, substitutes, renewals, extensions, and reissues thereof; and all claims for damages arising out of or relating to past or continuing infringement thereof, the same to be held and enjoyed by E.Z. Barrier for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patent of the United States or foreign countries are, have been, or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by Cubicles Plus if this assignment and sale had not been made.

Cubicles Plus hereby authorizes and requests the United States Commissioner of Patents and Trademarks and any foreign patent commissioners to issue any and all Letters Patent of the United States and foreign countries resulting from the Patent Rights and any and all divisions, continuations, continuations-in-part, and reissues thereof, to E.Z. convey the entire interest herein assigned, and that Cubicles Plus has not executed and will not execute any agreement in conflict herewith.

Cubicles Plus shall, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said inventions and to such Patent Rights as have been or may be granted therefor, to E.Z. Barrier, its successors, assigns, or other legal representatives at no cost to E.Z. Barrier. If E.Z. Barrier shall desire to file any divisional, continuation, or continuation-in-part applications or to secure a reissue of a Letters Patent under such Patent Rights, or to file a disclaimer relating thereto, then Cubicles Plus will, upon request, sign all papers, make all rightful oaths and do all lawful acts requisite for the filing of such divisional, continuation, or continuation-in-part application, or such application for reissue and the procuring thereof, and for the filing of such disclaimer, without further compensation but at the expense of E.Z. Barrier, or its assignee, successor, or other legal representative.

Cubicles Plus shall, at any time upon request, communicate to E.Z. Barrier, its successors, assigns, or other legal representatives, such facts relating to said inventions and Patent Rights or the file history thereof as may be known to Cubicles Plus, and testify as to the same in any interference or other litigation when requested to do so, but at the expense of and with reasonable compensation from E.Z.
