## ASSIGNMENT OF INVENTION AND PATENT APPLICATION

WHEREAS, WE,

Justin P. McCurdy, of Chico, CA, and Joe S. Riggs, of Orland, CA

have invented certain new and useful improvements disclosed in a nonprovisional utility patent application for United States Letters Patent entitled IMPLEMENT FLOTATION AND SUSPENSION SYSTEM filed on June 14, 2010 (US Patent Appl. No. 12814590),

AND WHEREAS        Weiss-McNair LLC  
                         531 Country Dr.  
                         Chico, CA 95928

a limited liability company (hereafter, together with any successors, legal representatives of assign thereof, called "Assignee"), desires to all rights, title and interest in and to said improvement and application.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee all rights, title and interest in and to said improvements, and said application and divisions, substitutions, continuations and continuations-in-part thereof, and all United States Letters Patents which may be granted thereon and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility registrations, inventor's certificates, and the like) heretofore or hereafter filed for said improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for said improvements in any foreign countries.

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith;

AND WE HEREBY further covenant and agree that we will communicate to Assignee any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all utility, divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for said improvements in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand this date 6-14-2010.
