ASSIGNMENT

THIS ASSIGNMENT, made by us, John Kapitan, a citizen of the United States of America, residing at Rock Hill, SC; Gert Nijenbanning, a citizen of The Netherlands, residing at Oldenzaal, The Netherlands; Guilhem Denoziere, a citizen of France, residing at Powder Springs, GA; and Daniel Tomko, a citizen of the United States of America, residing at Dallas, GA;

WITNESSETH: That,

WHEREAS, we are joint inventors of certain new and useful improvements in **SPINAL INTERBODY SPACERS** for which U.S. Application No. 12/503,937 was filed on **July 16, 2009** in the United States Patent and Trademark Office; and

WHEREAS, **SpineMedica, LLC**, a Florida corporation having a principal place of business at 811 Livingston Court, Suite B, Marietta, GA 30067, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and by these presents do hereby sell, assign, transfer, and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

We hereby request that said Letters Patent be issued in accordance with this assignment.

We further covenant and agree that, at the time of the execution and delivery of these presents, we possess full title to the invention and application above-mentioned, and that we have the unencumbered right and authority to make this assignment.
