ASSIGNMENT

For good and valuable consideration, We, Scott Baker, residing at 25531 Joelle Ct.,
Edwardsburg 49112, citizen of US; Danyu Liu, residing at 5622 Cambridge Way, Hanover Park
60133, citizen of CN; hereafter individually or collectively referred to as "Assignor";

Hereby sell, assign and transfer to Siemens Medical Solutions USA, Inc. , a corporation
organized and existing under the state laws of Delaware, having its principal place of business at 51
Valley Stream Parkway, Malvern, PA, 19355-1406, hereinafter "Assignee", its successors, assigns
and legal representatives, the entire right, title and interest in and for the United States and all foreign
countries, in and to any and all improvements which are disclosed in **Provisional Application filed
on 09.22.09 and identified as United States Provisional Application Serial No. 61/244,596** and in
the application for United States Letters Patent, which has been executed by the undersigned and
filed herewith, entitled:

An Image Data and Annotation Processing System

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other
applications for Letters Patent which have been or shall be filed in the United States and all foreign
countries on any of said improvements; and in and to all original and reissued patents which have
been or shall be filed in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in
its own name; and that, when requested, without charge to but at the expense of said Assignee, its
successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this
assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and
all other patent applications on any and all said improvements; execute all rightful oaths,
assignments, powers of attorney and other papers; communicate to said Assignee, its successors,
assigns, and legal representatives, all facts known to the undersigned relating to said improvements
and the history thereof; and generally do everything possible which said Assignee, its successors,
assigns or legal representatives shall consider desirable for aiding in securing and maintaining proper
patent protection for said improvements and for vesting title to said improvements and all applications
for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal
representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no
assignment, grant, mortgage, license or other agreement affecting the rights and property herein

conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
