INTELLECTUAL PROPERTY ASSIGNMENT

WHEREAS, Charles P. Forrest, Sr. an Alabama resident of 31 Signal Hill Road, Spanish Fort, Alabama 36527, and Charles P. Forrest, Jr., an Alabama resident of 29 Speckle Trout Rt., Spanish Fort, AL 36527 (each referred to as an "Assignor," and together as "Assignors") have entered into that certain Intellectual Property Purchase Agreement, dated and effective as of the date hereof (the "Purchase Agreement") with Rogers Athletic Southeast, LLC, a Michigan limited liability company of 495 Pioneer Parkway, Clare, MI ("Assignee"), pursuant to which Assignee acquired the entire right, title, and interest in, to, and under all of Assignors' inventions relating to the business of World Sporting Goods, Inc., an Alabama corporation, including inventions comprising certain new and useful improvements in sports training tools and methods, particularly relating to football training devices and methods, as further described in the Purchase Agreement and the United States Patent Applications and Registrations described in the attached Exhibit A; and

WHEREAS, Rogers Athletic Southeast, LLC, a Michigan limited liability company of 495 Pioneer Parkway, Clare, MI ("Assignee") is desirous of acquiring the entire right, title, and interest in, to and under said inventions and applications as designated in the Purchase Agreement, and in, to, and under any Letters Patent that may be obtained for said invention, together with all foreign rights corresponding thereto, as more fully set forth below.

NOW, THEREFORE, be it known that, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors have agreed to sell, assign, and transfer, and do hereby sell, assign, and transfer unto Assignee the entire right, title, and interest in, to, and under said inventions, patents and application identified in Exhibit A; any Letters Patent of the United States of America that may be obtained in respect thereof; any corresponding applications for Letters Patent and Letters Patent therefor in all other jurisdictions; and any reissues, extensions, substitutions, confirmations, divisions, or continuations thereof ("Invention Rights").

Each Assignor hereby covenants and agrees, for itself and for its respective legal representatives, to assist and cooperate with Assignee in the preparation and prosecution of any applications included within the Invention Rights and in the prosecution or defense of any interference, opposition, or other proceeding that may arise in connection with any applications or Letters Patent included within the Invention Rights and further to execute and deliver to Assignee any and all additional papers that may be requested by Assignee for the purpose of implementing the terms of this Assignment.

Each Assignor hereby authorizes and empowers Assignee to invoke and claim for any applications or Letters Patent included within the Invention Rights the benefit of any rights to which Assignor might be entitled under international law or under the laws of any particular country (such as, without limitation, the right of priority provided by the International Convention for the Protection of Industrial Property, as amended) and to invoke and claim such rights without further written or oral authorization from Assignor.

Assignors hereby consent that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document that may be required in any particular country for any purpose and more particularly in proof of the right of Assignee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended.

Assignors covenant and agree that this Assignment and all of the terms hereof shall inure to the benefit of the successors, assigns, legal representatives, or nominees of Assignee, without further written or oral authorization from Assignors.

Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States Patent and Trademark Office to issue Letters Patent to Assignee in accordance with the terms of this Assignment.

IN WITNESS WHEREOF, Assignors have executed this Assignment as of the date set forth below.
