ASSIGNMENT NUNC PRO TUNC

In consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, **Carrier Commercial Refrigeration (USA) Inc.**, a corporation organized under the laws of the state of Delaware (hereafter "Assignor") hereby sells, assigns and transfers, effective as of 26 May 2005, to **Carrier Commercial Refrigeration, LLC**, a limited liability company organized under the laws of the state of Delaware, its successors, assigns and legal representatives (hereafter "Assignee") the entire right, title and interest, worldwide, in and to any and all improvements and inventions which are disclosed in the patents and/or patent applications listed on the attached Schedule A, and in and to said applications and/or patents and all divisional, continuing, substitute, renewal, reissue, and all other applications which have been or shall be filed worldwide on any of said improvements; and in and to all original and reissued patents which have been or shall be issued worldwide on said improvements.

Assignor and Assignee agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the Assignor will execute all papers reasonably needed in connection with any divisional, continuing, substitute, renewal, reissue, and all other parent applications on any and all said improvements; execute all rightful assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives.

Assignor covenants with Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property

herein conveyed has been made to others by Assignor, and that full right to convey the same as herein expressed is possessed by the undersigned.

Assignor
