ASSIGNMENT

CIBA VISION Corporation, a corporation organized and existing under the laws of the State of Delaware, having offices at 11460 Johns Creek Parkway, Duluth, Georgia 30097-1556 for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, does hereby sell, transfer and assign to NOVARTIS AG, Lichtstrasse 35, 4056 Basel, Switzerland a Swiss corporation of Basle, Switzerland, its successors, assigns and legal representatives, all its right, title and interest in countries foreign to the United States of America in and to the invention for

described in the application for United States Letters Patent therefor,

Serial No. 08/274,942 , filed September 26, 2002

including (i) the authorization to file corresponding applications for patents or similar legal protection and continuations, continuations-in-part, supplementary disclosures, divisions or extensions thereof in the name of NOVARTIS AG in any country foreign to the United States in which an assignee can apply for a patent or similar legal protection, (ii) any and all rights under international treaties, conventions, agreements, charters and laws in respect of the said invention, especially the right to claim priority based on the said application for United States Letters Patent, (iii) any and all Letters Patent or similar legal protection which may be granted therefor in countries foreign to the United States of America, and all divisions, reissues, continuations and extensions thereof, the said interest being the entire ownership of said Letters Patent or similar legal protection for all countries foreign to the United States of America when granted, to be held and enjoyed by NOVARTIS AG, as fully and entirely as the same would have been held and enjoyed by CIBA VISION Corporation if this assignment and sale had not been made; and CIBA VISION Corporation hereby further covenants and agrees that CIBA Vision Corporation will at any time upon request execute such additional assignments,

confirmatory or desirable, testify in any legal proceeding, execute all divisional, continuing, reissue and extension applications, make all rightful oaths and declarations, and generally do everything possible to aid the said assignee, its successors, assigns and legal representatives, to obtain and enforce proper patent protection for said invention. And CIBA VISION Corporation does hereby authorize and request that appropriate authorities in countries foreign to the United States of America to issue Letters Patent to NOVARTIS AG.

Signed at Duluth, Georgia this 10th day of May 2010.
