FOR THE NORTHERN DISTRICT OF TEXAS

IN RE:	§	CHAPTER 11 CASE
	§	
TXP CORPORATION,	§	CASE NO. 09-43659-DML-11
	§	
DEBTOR.	§	
	§	

**FINAL ORDER (A) AUTHORIZING THE DEBTOR TO SELL
ASSETS OF THE ESTATE FREE AND CLEAR OF LIENS, CLAIMS
AND ENCUMBRANCES; AND (B) GRANTING RELATED RELIEF**

On March 22, 2010, this Court held the Sale Hearing scheduled pursuant to the *Debtor's* Motion for Entry of Order (a) Approving Procedures for the Sale of Assets of the Estate; (b) Authorizing the Debtor to Conduct an Auction for the Sale of Assets of the Estate; (c) Scheduling a Sale Hearing and Approving the Form and Manner of Notice Thereof, (d) Authorizing the Debtor to Sell Assets of the Estate to the Highest Bidder; (e) Approving the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases; (f) Allowing the Debtor to Surcharge Collateral and/or Proceeds Thereof, and (g) Granting Related Relief [Doc. No. 247] (the "Sale Motion"), filed by TXP Corporation ("TXP" or the "Debtor") under

seal on March 3, 2010, and entered on the docket unsealed on March 15, 2010 [Doc. No. 248]. The Auction and the Sale Hearing were scheduled by this Court pursuant to the *Order (a) Approving Procedures for the Sale of Assets of the Estate; (b) Authorizing the Debtor to Conduct an Auction for the Sale of Assets of the Estate (c) Scheduling a Sale Hearing and Approving the Form and Manner of Notice Thereof and (d) Granting Related Relief* [Doc. 248] (as modified by the *Order Regarding Debtor's Motion to Sell and Resetting Date of Auction* [Doc. No. 249], the "Bid Procedures Order").¹ Having considered the relief sought by the Debtor and any objections thereto; and it appearing that the legal and factual bases set forth in the Sale Motion and at the Sale Hearing establish just cause for the relief granted herein, and it further appearing that the relief requested in the Sale Motion is in the best interests of the Debtor, its creditors, and all other parties in interest in the Debtor's chapter 11 case; and based upon the agreements and consents to the sale announced on the record and contained herein,

THE COURT HEREBY FINDS AND DETERMINES THAT:

A. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Rule 7052 of the Federal Rules of Bankruptcy Procedures (the "Bankruptcy Rules"), made applicable to this proceeding pursuant to Bankruptcy Rule 9014.

B. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

C. The Court has jurisdiction over the Sale Motion and the issues and transactions contemplated in the Bid Procedures Order pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue of the case and

¹ All capitalized terms not defined herein shall have the meaning ascribed to them in the Bid Procedures Order.

the proceeding concerning the Sale Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

D. The statutory predicates for relief sought in the Sale Motion are sections 105(a), 363 and 365 of the Bankruptcy Code² and Bankruptcy Rules 2002, 6004 and 9014.

E. E. As of the Petition Date, YA Global Investments, L.P. ("YA Global") held perfected first priority liens on substantially all of the Debtor's assets, including without limitation inventory, equipment, intellectual property and, subject to an intercreditor agreement, accounts (the "Prepetition Collateral"). The Debtor obtained post-petition financing from several sources, including Roland Ho and/or his successors and assigns (the "DIP Lender"), Landry Marks Partners, LP (the "LMP" or the "Factor") and TXPH, LLC (the "Inventory DIP Lender"). During the course of this case, the Court entered several Financing Orders. As a result of the Financing Orders, YA Global retained first liens, subject to ad valorem taxes, on certain of the Debtor's fixed assets, inventory and intellectual property.

F. F. In connection with confirmation of the Debtor's First Amended Plan of Reorganization (as amended, modified and supplemented, the "Plan"), the Debtor and YA Global agreed that YA Global shall have an allowed secured claim in the amount of \$1,500,000 (the "YA Global Secured Claim") and an allowed unsecured claim in the amount of \$9,170,299. The Debtor agreed to pay the YA Global Secured Claim contemporaneously with and as a condition to the effectiveness of the Plan. The parties further agreed that if the Plan did not become effective or if the YA Global Secured Claim was not paid by an agreed date, the Debtor would proceed with a sale of substantially all of its assets pursuant to section 363 of the Bankruptcy Code. This agreement was incorporated into the Debtor's First Amendment and Supplement to TXP Corporation's First Amended Plan of Reorganization [Doc. No. 187] and the

² See 11 U.S.C. §§ 101 et seq. (2009).

Confirmation Order. Following confirmation of its Plan, the Debtor's proposed investors were unable to obtain exit financing from their expected source and the Plan did not become effective. Accordingly, the Debtor filed its Motion to sell the Assets.

G. The Motion proposes to sell those assets in which YA Global holds a first lien. The property to be sold consists of all of the Debtor's right, title and interest in and to the following assets (collectively, the "Assets"):

(a) The fixed assets described below (the "Fixed Assets"):

- (1) all of the Debtor's machinery, equipment, furniture, furnishings, fixtures and other tangible personal property (except inventory), including embedded software, motor vehicles with respect to which a certificate of title has been issued, dies, tools, jigs, molds and office equipment, as well as all of such types of property leased by Debtor and all of Debtor's rights and interests with respect thereto under such leases (including options to purchase), together with all additions and accessions thereto, replacements therefore, component and auxiliary parts and supplies used or to be used in connection therewith, and all substitutes for any of the foregoing, and all manuals, drawings, instructions, warranties and rights with respect thereto (collectively, the "Equipment"); provided that the Debtor's obligation to assume and assign any executory contracts (including license agreements) or unexpired leases constituting a part of the Equipment and not previously rejected is subject to separate payment by the Purchaser (as defined below) of any cure costs and other costs associated therewith and approval by the Bankruptcy Court pursuant to subsequent Court Order; and
- (2) All of Debtor's owned or leased estates in real property, including all fees, leaseholds and future interests, together with all of Debtor's now owned or leased interests in the improvements thereon, the fixtures attached thereto and the easements appurtenant thereto (collectively, the "Real Estate"); provided that the Debtor's obligation to assume and assign any unexpired leases constituting a part of the Real Estate and not previously rejected is subject to separate payment by the buyer or credit bidder, as applicable, of any cure costs and other costs associated therewith and approval by the Bankruptcy Court.

- (b) The inventory described below (the “YAG Inventory” and, together with the Fixed Assets, the “Tangible Assets”):

All of Debtor’s inventory, goods and merchandise, wherever located, to be furnished under any contract of service or held for sale or lease, all returned goods, raw materials, work-in-process, finished goods (including embedded software), other materials and supplies of any kind, nature or description which are used or consumed in Debtor’s business or used in connection with the packing, shipping, advertising, selling or finishing of such goods, merchandise, and all documents of title or other documents (as defined in the UCC) representing them; but excluding the TXPH Inventory, consisting of any raw materials, parts, components and/or other inventory or goods acquired by the Debtor with the proceeds of loans made pursuant to the Inventory DIP Order, together with any work in process or finished goods or other products assembled or manufactured using and/or incorporating any of such items.

- (c) The intellectual property described below (the “Intellectual Property”):

All rights, priorities and privileges relating to intellectual property, whether arising under United States, multinational or foreign laws or otherwise, including copyrights, copyright licenses, patents, patent licenses, trademarks, trademark licenses, technology, know-how and processes, and all rights to sue at law or in equity for any infringement or other impairment thereof, including the right to receive all proceeds and damages therefrom; provided that the Debtor’s obligation to assume and assign any executory contracts (including license agreements) constituting a part of the Intellectual Property and not previously rejected is subject to separate payment by the Purchaser (as defined below) of any cure costs and other costs associated therewith and approval by the Bankruptcy Court pursuant to subsequent Court Order.

H. As evidenced by the certificates of service previously filed with the Court,³ and based on the representations of counsel at the Sale Hearing, (i) proper, timely, adequate and sufficient notice of the Sale Motion, the Auction, the Sale Hearing, and the Sale (as defined below) has been provided in accordance with Bankruptcy Rules 2002(a), 6004(a) and 9014, (ii) such notice was good and sufficient, and appropriate under these particular circumstances, and reasonably calculated to apprise interested parties of the Sale of the Debtor’s assets, and

³ See Doc No. 244.

(iii) no other or further notice of the Sale Motion, the Auction, the Sale Hearing, or the Sale is or shall be required.

I. As demonstrated by (i) the testimony and other evidence proffered or adduced at the Sale Hearing, (ii) the representations of counsel made on the record at the Sale Hearing and (iii) the record of events transpiring during the pendency of this chapter 11 case, the Debtor has marketed the Assets and conducted the Sale process in a non-collusive, fair and good faith manner, which resulted in the submission of a credit bid by YA Global at the auction held on March 22, 2010, at 10:00 a.m. Central Time (the "Auction").

J. The Debtor has determined that YA Global's bid at the Auction for the Tangible Assets, in the form of a credit against the YA Global Secured Claim in the total amount of \$1,471,000.00 (the "Tangible Asset Credit Bid"), is the highest and best offer for the Tangible Assets (the "Tangible Asset High Bid"). A good faith list of the Tangible Assets is attached hereto as **Exhibit A**, but shall not be construed as a modification to the definition of Tangible Assets set forth herein.

K. The Debtor has also determined that YA Global's bid at the Auction for the Intellectual Property, in the form of a credit against the YA Global Secured Claim in the total amount of \$29,000.00 (the "Intellectual Property Credit Bid" and, together with the Tangible Asset Credit Bid, the "Total YAG Credit Bid"), represents the highest and best offer for the Intellectual Property (the "Intellectual Property High Bid" and, together with the Tangible Asset High Bid, the "High Bid"). A good faith list of known Intellectual Property is attached hereto as **Exhibit B**, but shall not be construed as a modification to the definition of Intellectual Property set forth herein.

L. The Debtor has determined that YA Global is the successful bidder (the “Successful Bidder”) for the Assets, and that there is no second highest bidder (the “Backup Bidder”).

M. YA Global may assign or designate its right to close on the Sale without assigning any rights in the YA Global Secured Claim; *provided, however*, that whether YA Global, its assign or designee is the ultimate Purchaser (as defined below), upon the Closing on the Sale, the YA Global Secured Claim shall be deemed satisfied in full.

N. Michael Shores, the Chief Executive Officer of the Debtor, Chris Ryan, the Debtor’s Chief Financial Officer, and Joel Futterman, Vice President of the Debtor (each an “Authorized Individual” and, collectively, the “Authorized Individuals”), are authorized to execute on behalf of the Debtor and its estate, the relevant sales and/or conveyance documents, and any and all documents necessary in connection with the Sale of the Assets to close the Sale (the “Closing”).

O. The sale of the Assets to YA Global, its assigns or designees (the “Purchaser”), on the terms set forth herein (the “Sale”) is in the best interests of the Debtor, its creditors, its estate, and other parties in interest.

P. The Sale was proposed, accepted and entered into by the Debtor and the Purchaser without collusion, in good faith, and from arm’s length bargaining positions. Neither the Debtor nor the Purchaser has engaged in any conduct that would cause or permit the Sale to be avoided under 11 U.S.C. § 363(n).

Q. The Purchaser is a good faith Purchaser under section 363(m) of the Bankruptcy Code and, as such, is entitled to all the protections afforded thereby.

R. The consideration provided by the Purchaser (i) is fair and reasonable; (ii) is the highest and best offer for the Assets; and (iii) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code.

S. A reasonable opportunity to object or be heard with respect to the Sale Motion and the relief requested therein has been afforded to all interested persons and entities, including without limitation: (i) the Office of the United States Trustee for the Northern District of Texas (the "U.S. Trustee"); (ii) the DIP Lender; (iii) the Inventory DIP Lender; (iv) the Factor; (v) the taxing authorities for the City of Richardson and Dallas County (collectively, the "Taxing Authorities"); (vi) the taxing authority for Richardson Independent School District ("RISD"); (vii) the lessor of the Debtor's corporate offices (the "Landlord"); (viii) Dell Financial Services and Dell Business Credit (collectively "Dell"); and (ix) other parties listed in the Debtor's Certificate of Service, filed as Document Number 244 in this Case.

T. This Order resolves the objection asserted by the Taxing Authorities.⁴

U. The Debtor has demonstrated both (i) good, sufficient, and sound business purpose and justification and (ii) compelling circumstances for the Sale pursuant to 11 U.S.C. § 363(b) outside of a plan of reorganization because, among other things, (y) the Sale was an express condition of a compromise between the Debtor and YA Global which has been approved by this Court and incorporated into the Plan and Confirmation Order, and (z) the Sale at the current time will minimize the administrative burdens that are incurred by the Debtor's estate. The Sale must be approved and consummated promptly in order to avoid further deterioration in the value of the Assets and claims against the estate.

V. The transfer of the Assets to the Purchaser will be a legal, valid, and effective transfer of the Assets and will vest the Purchaser with all right, title and interest to the Assets

⁴ See Doc. No. 250.

free and clear of any “claim”, “lien”, or “security interest” as those terms are defined in the Bankruptcy Code (collectively the “Interests”), except for ad valorem property tax liens held by RISD (to the extent such liens attach to the Assets) or as otherwise set forth in this Order.

W. The Debtor may sell the Assets free and clear of Interests in accordance with section 363(f) of the Bankruptcy Code because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code has been satisfied. Those holders of Interests who did not object to the Sale or who have withdrawn their objection to the Sale Motion based on agreements herein are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Interests, who did object fall within one or more of the other subsections of section 363(f)(1) or (3)-(5) of the Bankruptcy Code and are adequately protected.

X. Consummation of the transactions contemplated thereby is in the best interest of the Debtor, its creditors, its estate, and other parties in interest.

Y. The Purchaser would not have entered into the Sale Documents and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtor, its estate, and creditors, if the Court did not enter an order determining that the sale of the Assets to Purchaser was free and clear of all Interests (except Interests held by RISD, to the extent such Interests attach to the Assets).

Z. The Court having considered the Sale Motion finds that it was properly served under the circumstances and that good cause exists for the entry of this Order.

NOW THEREFORE, THE COURT HEREBY ORDERS, ADJUDGES, AND DECREES AS FOLLOWS:

General Provisions

1. The Sale Motion is hereby GRANTED as to the sale of the Assets to Purchaser, as further described herein and subject to the provisions of this Order.

2. The objections, if any, to the Sale of the Assets to the Purchaser that have not been withdrawn, waived, or settled, and all reservations of rights included in such objections, are overruled on the merits.

Closing and Funding

3. The High Bid is hereby approved, and YA Global is hereby approved as the Successful Bidder.

4. Pursuant to 11 U.S.C. § 363(b), the Debtor is authorized and directed to consummate the Sale, pursuant to and in accordance with the terms and conditions of the Sale Documents and this Order.

5. The deadline to close on a sale by the Successful Bidder, its assign or designee, shall be 5:00 p.m. prevailing Central Time on March 31, 2010 (the "Closing Deadline").

6. The Court finds that cause exists to waive the 14-day stay pursuant to Bankruptcy Rule 6004(h). This Order shall be effective immediately upon entry on the docket, notwithstanding Bankruptcy Rule 6004(h). The Closing of the Sale shall take place on or before the Closing Deadline.

7. Upon the Closing, the YA Global Secured Claim shall be deemed satisfied in full.

8. Upon the Closing, the Purchaser shall pay the amounts assessed by the Taxing Authorities for the Debtor's 2008 and 2009 ad valorem business personal property taxes with interest at the state statutory rate of 1% per month pursuant to sections 506(b) and 511 of the

Bankruptcy Code. The Purchaser and the Taxing Authorities will cooperate to determine the values and allocations of 2010 ad valorem business personal property taxes which the Purchaser shall pay at a date to be agreed upon between the Purchaser and the Taxing Authorities. Any and all valid liens, claims and encumbrances asserted by the Taxing Authorities with respect to the Assets not paid at Closing shall remain on the Assets with the same priority, validity and extent as existed at the time of the Sale, as permitted under applicable law.

Approval of the Sale

9. The Sale and all of the terms and conditions thereof are hereby approved.
10. Pursuant to 11 U.S.C. § 363(b), the Debtor is authorized and directed to consummate the Sale pursuant to and in accordance with the terms and conditions of this Order.
11. The Debtor is authorized and directed to execute and deliver, and empowered to perform under, consummate and implement appropriate documents that the Debtor and the Purchaser deem necessary or appropriate to implement and effectuate the Sale and to take all further actions as may be reasonably requested by the Purchaser or its designees for the purpose of assigning, transferring, granting, conveying and conferring to the Purchaser, or reducing to possession, the Assets, or as may be necessary or appropriate to the performance of the obligations as contemplated by this Order.
12. The Authorized Individuals are hereby authorized and directed, to approve and sign all documents in connection with the transactions contemplated by this Order on behalf of the Debtor and to take all actions necessary, required or appropriate to consummate such transactions on behalf of the Debtor, and such documents and actions are binding on the Debtor without any further additional corporate actions or approvals.
13. This Order shall be binding in all respects upon all creditors, claimants of, and holders of equity interests in the Debtor and its successors and assigns (whether known or

unknown), any holders of Interests, all successors and assigns of the Purchaser, the Debtor and any affiliates and subsidiaries, the Assets, and any subsequent trustees appointed in the Debtor's chapter 11 case or upon a conversion of this case to chapter 7 under the Bankruptcy Code, and shall not be subject to rejection or any cause of action under chapter 5 of the Bankruptcy Code.

Transfer of Assets

14. Pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the Assets shall be assigned and transferred to the Purchaser or its designee and upon the Closing shall be free and clear of all Interests of any kind or nature whatsoever, including without limitations any junior lien asserted by the DIP Lender, the Inventory DIP Lender or LMP, except as otherwise set forth in this Order (including Interests held by RISD to the extent such Interests are affixed to Assets), effective upon receipt of good, complete and sufficient funds or consideration by Debtor for such Assets.

15. Except as otherwise provided in this Order, all persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, and regulatory authorities, lenders, tort claimants, litigants, trade and other creditors, holding Interests of any kind or nature whatsoever against or in the Debtor or the Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), existing prior to Closing arising under or out of, in connection with, or in any way relating to, the Debtor, the Assets, or the Sale, are forever barred, estopped, and permanently enjoined from asserting against the Purchaser, its successors or assigns, its property, or the Assets, such persons' or entities' Interests.

16. Nothing in this Order shall be construed to release or nullify any liability to any governmental entity under police or regulatory requirements that any entity would be subject to as the owner or operator of the Assets first arising after the Closing.

17. The transfer of the Assets to the Purchaser pursuant to this Order constitutes a legal, valid, and effective transfer of the Assets and shall vest in the Purchaser or its designee with all right, title, and interest of the Debtor in and to the Assets, free and clear of all Interests of any kind or nature whatsoever, except as provided for herein.

18. On the Closing of the Sale, each of the Debtor's creditors and any other holder of an Interest is authorized and directed, upon the reasonable request of the Debtor or the Purchaser, to execute such documents and take all other actions as may be reasonably necessary to reflect the release upon the Closing of the Sale and by operation of this Order, of its Interests in the Assets, if any, as such Interests may have been recorded or may otherwise exist. Such Interests shall attach to the Proceeds of the Sale, if any, to the same extent and in the same order of priority that they existed in the Assets prior to the Closing of the Sale, except as provided for herein.

19. All claims of the estates including causes of action under chapter 5 of the Bankruptcy Code, unless otherwise released by this Order, shall remain property of the estate.

Assumption of Executory Contracts and Unexpired Leases

20. Within 3 days after the entry of this Order, YA Global shall serve a list on the Debtor comprising the executory contracts and unexpired leases to be assigned to the Purchaser (the "Assigned Contracts"). The Debtor shall thereafter file a motion to assume and assign such Assigned Contracts to all counterparties or party in interest, and provide such parties notice and an opportunity to object to the assignment of an Assigned Contract. If a party in interest objects or asserts that a cure obligation is owed prior to the assumption and assignment of the Assigned Contracts, the Purchaser may seek to exclude any such executory contract or unexpired lease from the Assigned Contracts. If there are no objections to the assumption and assignment of the Assigned Contracts, the assumption and assignment shall be approved by further Order of this

Court, and the Debtor shall be authorized and directed to execute all such documents as the Purchaser shall reasonably request to effectuate the assignments approved hereunder, provided that the Purchaser pays all cure obligations and other costs associated with the assignment pursuant to section 365 of the Bankruptcy Code.

21. If a party in interest, including without limitations a counterparty to one of the Assigned Contracts, files a timely objection to the assignment of such contract with this Court and serves a copy of the same on (i) counsel for the Debtor and (ii) counsel for the Purchaser, the Court shall hold a hearing on notice of no less than three days to determine whether such Assigned Contracts may be assigned to the Purchaser. Each objection timely filed and properly served shall be resolved by separate Order of this Court after notice and a hearing.

22. In the event that the Purchaser discovers the existence of additional executory contracts and unexpired leases pertaining to the Assets, nothing in this Order shall be construed to limit or waive the rights of the Purchaser to request the Debtor's assumption and assignment of such newly discovered executory contracts or unexpired leases.

Surcharge

23. The Debtor's request pursuant to the Sale Motion to surcharge YA Global, the Assets or the Proceeds is hereby denied in all respects, it being the Court's finding and conclusion that the Debtor has incurred no costs or expenses for the primary benefit of YA Global; *provided, however*, that the Purchaser shall be solely responsible for paying any and all taxes that may result from the Sale contemplated by this Order, if any. Notwithstanding the foregoing, YA Global shall pay \$4,874.28 to Lain Faulkner, P.C., as YA Global's agreed upon share of the Examiner's fees, pursuant to that certain *Order Granting the Motion of YA Global Investments, L.P. Pursuant to 11 U.S.C. § 1121(d) to Terminate the Debtor's Exclusivity* [Doc. No. 159].

Additional Provisions

24. The stay of this Order provided in Rules 6004(h) and 6006(d) of the Federal Rules of Bankruptcy Procedure is hereby lifted, and this Order shall become effective and final upon entry on the docket. Closing of the Sale shall occur by the deadlines set forth in this Order.

25. TCIT Dallas Industrial (the "Landlord") shall provide access to the Purchaser to enter the premises leased by TCIT to Debtor (the "Premises"), prior to the Closing to inspect the Assets, and after the Closing to take possession of the Assets, for a period beginning on the date this Order is entered and ending at 11:59p.m. four (4) days later; *provided, however*, that YA Global must tender to the Landlord no later than 24 hours after entry of this Order a cashier's check or another form of readily available funds agreeable to the Landlord, in the amount of \$3,791.24, payable to the Landlord's agent, Transwestern, at 1488I Quorum Drive, Suite 200, Dallas, Texas 75254, Attention: Lauri Fowler, along with proof that YA Global has obtained a Commercial General Liability insurance policy or policies to protect the Landlord, Stockbridge Real Estate Funds and Transwestern (collectively, the "Protected Parties") written on an occurrence basis with a minimum limit of \$1,000,000.00 per occurrence \$2,000,000.00 general aggregate, naming Landlord and the other Protected Parties as additional insureds. The Purchaser shall insure all of the personal property at 100% of its full replacement value. All insurance shall contain a complete waiver of subrogation in favor of Landlord and the other Protected Parties. A certificate of such insurance (including a prohibition against change or cancellation of coverage without 30 days' written notice to Landlord) shall be delivered to Landlord prior to the Purchaser entering the Premises. Any insurance maintained by Landlord will apply in excess of, and not contribute with, insurance provided by the Purchaser. The Purchaser assumes all risk of damage to property and injury to persons in or about the Premises from any cause and waives all claims against Landlord and/ or the Protected Parties on account

of same. Provided Landlord and the Purchaser shall enter into a written agreement regarding same, the Purchaser's access to the Premises may be extended through and including 11:59 p.m. May 31, 2010. If such an agreement has not been signed by the fourth day after entry of this Order, the Purchaser's period of access to the Premises and the Assets shall be extended through 11:59 p.m. March 31, 2010; provided, however, that the Purchaser tender payment not later than 5:00 p.m. on the day that is four (4) days after entry of this Order (by cashier's check or another form of readily available funds agreeable to the Landlord), such payment to be equal to the amount of \$947.81 per day for each beginning the fifth day after entry of this Order through and including March 31, 2010.

26. The consideration provided by the Purchaser, pursuant to this Order: (i) is fair and reasonable, (ii) is the highest and best offer for the Assets, (iii) will provide a greater recovery to the Debtor's estate than would be provided by any other available alternative, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code.

27. The consideration provided by the Purchaser for the Assets under this Order is deemed to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, possession, or the District of Columbia.

28. The consideration provided by the Purchaser for the Assets under the Sale Documents is fair and reasonable and the Sale may not be avoided under section 363(n) of the Bankruptcy Code or any other provision of the Bankruptcy Code.

29. This Order (a) shall be effective as a determination that, at Closing, all Interests of any kind or nature whatsoever existing as to the Assets prior to the Closing have been unconditionally released, discharged and terminated as to the Assets, except as otherwise

provided herein and (b) shall be binding upon and shall govern the acts of all entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Assets.

30. Each and every federal, state, and local governmental agency or department is hereby directed to accept any and all documents, instruments, and permits necessary and appropriate to consummate the transactions contemplated by this Order.

31. All entities that are in possession of some or all of the Assets on the Closing Date are hereby directed to surrender possession of the Assets to the Purchaser or its designees at the Closing.

32. The transactions contemplated by this Order are undertaken by the Purchaser, without collusion with other bidders and in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of the Sale, unless such authorization is duly stayed pending such appeal. The Purchaser or its designee is a Purchaser in good faith of the Assets, and is entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

33. The terms and provisions of the High Bid and this Order shall be binding in all respects upon, and shall inure to the benefit of, the Debtor, its estate, and its creditors, the Purchaser and its respective affiliates, successors, and assigns, and any affected third parties

including, but not limited to, all persons asserting an Interest in the Assets, notwithstanding any subsequent appointment of any trustee(s) under any chapter of the Bankruptcy Code, as to which trustee(s) such terms and provisions likewise shall be binding.

34. Nothing contained in any plan of reorganization subsequently filed and confirmed in this case or any order of this Court confirming such plan shall conflict with or derogate from the terms of this Order. In the event a provision in a plan of reorganization or order of this Court conflicts inadvertently with the terms of this Order or the Sale Documents, this Order shall control and govern.

35. The High Bid and any related sales documents, or other instruments may be modified, amended or supplemented by the parties thereto and in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment, or supplement does not conflict with the terms of this Order or have a material adverse effect on the Debtor's estate and provided further that YA Global is given reasonable prior written (including by e-mail) notification of such modification, amendment or supplement, and YA Global consents in writing (including by e-mail) to such modification, amendment or supplement.

36. This Court retains jurisdiction to enforce and implement the terms and provisions of this Order, all amendments thereto, any waivers and consents thereunder, and of each of the agreements executed in connection therewith in all respects, including, but not limited to, retaining jurisdiction to (a) compel delivery of the Assets to the Purchaser or its designee, (b) compel delivery of the purchase price or performance of other obligations owed by or to the Debtor, (c) resolve any disputes arising under or related to any sale documents, except as otherwise provided therein, and (d) interpret, implement, and enforce the provisions of this Order.
