ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, I

Andrew Walker	of	Mountain View, Ca
----------------------	----	-------------------

hereby sell, assign and transfer to **Schiltron Corp.**, a corporation, having a place of business at 1638 Cornell Dr. Mountain View, California 94040, its successors and assigns, the entire right, title and interest throughout the world in our invention in

DUAL-GATE DEVICE

for which we filed United States Patent Application No. 11/548,231 on October 10, 2006, U.S. Patent Application No. 12/142,547 on June 19, 2008, and all patent applications and patents of every country for said invention, including divisions, reissues, continuations and extensions thereof, and all rights of priority resulting from the filing of said applications; we authorize the above-named assignee to apply for patents of foreign countries for said invention, and to claim all rights of priority without further authorization from me; we agree to execute all papers useful in connection with said United States and foreign applications, and generally to do everything possible to aid said assignee, its successors, assigns and nominees, at their request and expense, in obtaining and enforcing patents for said invention in all countries; and we request that the United States Patent and Trademark Office issue all patents granted for said invention to the above-named assignee, its successors and assigns.

Executed this 29th day of JUNE, 2010.

Andrew Walker
