ASSIGNMENT

I, BRYAN R. MAROUSEK, a citizen of the United States of America who resides at 8 South Worth Court, Belair, MD 21014, USA, have made certain inventions or discoveries (or both) set forth in an application for Letters Patent of the United States of America entitled

END FRAME FOR A BENCH

which application is identified by:

US Design Patent Application No.: 29/364,912 Filing Date: June 30, 2010

and DUMOR CORPORATION, whose address is P.O. Box 142, Mifflintown, Pennsylvania 17059, a corporation of the state of Pennsylvania and which together with its successors and assigns is hereinafter called "Assignee", is desirous of acquiring the title, rights, benefits and privileges hereinafter recited, and of confirming the same or any part thereof heretofore acquired by Assignee.

Now, therefore, for valuable consideration furnished by Assignee to me, receipt and sufficiency of which I hereby acknowledge, I hereby, without reservation:

1. Assign and convey to and confirm in Assignee the entire right, title and interest in and to said inventions and discoveries in the United States of America, and said application for Letters Patent of the United States of America, including all provisional, non-provisional, divisional, renewal, substitute, and continuation applications filed for Letters Patent of the United States of America based in whole or in part upon said inventions or discoveries or upon said applications, and any and all Letters Patent of the United States of America and reissues and extensions of Letters Patent of the United States of America granted for said inventions and discoveries or upon said applications, , and every priority right in the United States of America that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent of the United States of America;

2. Authorize Assignee to file patent applications in the United States of America on any or all of said inventions and discoveries in my name or otherwise as Assignee may deem advisable, under the International Convention or otherwise;

3. Authorize and request the Commissioner of Patents of the United States of American to issue or transfer all said Letters Patent of the United States of America to Assignee, as assignee of the entire right, title and interest therein or otherwise as Assignee may direct;

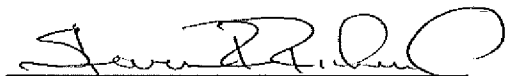

4. Warrant that I have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that I have has good right to assign the same to Assignee without encumbrance;

5. Bind my heirs and legal representatives, as well as myself, to do, upon Assignee's request and at its expense, but without additional consideration to me or them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications and the said Letters Patents shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by me or my heirs or representatives if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers,

and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to me relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in our control or in the control of my heirs or legal representatives and which may be useful for establishing the facts of my conceptions, disclosures, and reduction to practice to said inventions and discoveries.

The effective date of this instrument is the latest date accompanying signature, hereinbelow.

In testimony whereof I have affixed my signature.
