ASSIGNMENT

WHEREAS, Glen W. Ediger, having a residential address of 14 Regal Crescent, North Newton, KS 67117 U.S.A.; and Gary P. Israel, having a residential address of 215 Lee Street, Andover, KS 67002 U.S.A.; (jointly the "Assignors"), are the inventors of the following certain new and useful inventions (the "Inventions") relating to a AIR CIRCULATOR, for which Design Letters Patent issued on July 14, 2009 as United States Design Patent No. D596,284 (the "Patent"); and

WHEREAS, Assignors are the owners and in full possession of the entire right, title and interest in and to said Invention, in and to said Patent and in and to any and all Design Letters Patent that may be granted therefor; and

WHEREAS, Vornado Air LLC, a limited liability company duly organized under the laws of the State of Delaware (the "Assignee"), having its principal office and place of business at 415 East 13th Street, Andover, Kansas 67002, U.S.A., is desirous of acquiring the entire right, title and interest in and to said Invention, said Patent, and any and all Design Letters Patent that may be granted therefor; and

NOW, THEREFORE, to all whom it may concern, be it known that, for \$1.00 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors do hereby sell, assign and transfer unto said Assignee, the entire right, title and interest within the United States, its territories and possessions, and all foreign countries, in and to said Inventions, said Patent, and any and all Letters Patent that may be granted therefor in the United States, its territories and possessions, and all foreign countries, together with any and all continuations, continuations-in-part, divisions, reissues, renewals, reexaminations, substitutes or extensions thereof, and including all rights to claim priority, and Assignors do hereby authorize and request all appropriate domestic and foreign patent or government authorities in foreign countries to issue in accordance with this Assignment any and all Design Letters Patent that may be granted, either on said Patents or otherwise for said Inventions.

ASSIGNORS further covenant and agree that they will, at any time upon request, execute and deliver any and all documents that may be necessary or desirable to perfect Assignee's rights in and to the Inventions and any and all United States and/or foreign Design Letters Patents that may be granted on said Patents or otherwise for said Inventions.

This Assignment may be executed in two or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other party.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year written below.
