Dear Sir/Madam:

Please correct the recordation of the assignment for this patent. The application number is incorrectly listed in USPTO records as 29/145,103. The Assignment document was filed with the patent application on July 16, 2001 and Assignee application number 29/145,123. A copy of the originally filed Assignment document is enclosed. Please note that because this Assignment was filed with the application, there is no application number on the Assignment document. The Assignment is linked to this design patent by the attorney docket number (84773) printed on the Assignment document and all other documents filed with the U.S. Patent and Trademark Office during prosecution. The Filing Receipt dated August 3, 2001 confirms this.

Please send a "corrected" Notice of Recordation of Assignment Document to Applicants' representatives acting under representative capacity pursuant to 37 CFR §1.34, at the address given below.

Respectfully submitted,

Timothy J. Fiori et al.

By their attorneys,
