## **ASSIGNMENT**

WHEREAS, I, Craig T. Yehle, an individual residing in the state of Oregon, have made an invention in:

Draw mechanism for a crossbow

and have made application for United States Letters Patent therefor, the same having been filed in the United States Patent and Trademark Office on 10/31/2007 as United States Patent Application No. 11/933,394; and

WHEREAS, Extreme Technologies, Inc., a corporation organized and existing under the laws of Oregon and having an office and place of business at 90554 Highway 99N, Eugene, Oregon 97402, is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may be entitled to the benefit thereof;

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby sell, assign and transfer unto said Extreme Technologies, Inc., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations and divisions thereof, and any substitute applications therefor, and including the right to claim priority under the International Convention based on said patent application, and any patent which may issue thereon, and any reissues of the same; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals,

continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and I hereby authorize and request competent authorities to grant and issue any and all patents on said invention to said Extreme Technologies, Inc., as the assignee of the entire interest therein; and I further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, I have hereunto signed my name on the date indicated hereinafter:
