**ASSIGNMENT**

WHEREAS, We, Timothy Andrew Bachman, Christian Richard Trifilio, and Matthew Vail Leyden are inventors of inventions disclosed in a patent application entitled **SUTURING SYSTEM AND ASSEMBLY** having Attorney Docket Number 2009030, hereinafter referred to as **SUTURING SYSTEM AND ASSEMBLY**;

WHEREAS, we own Primordial Soup, LLC, a business entity organized and existing under the laws of the State of Minnesota;

WHEREAS, COLOPLAST A/S, a corporation organized and existing under the laws of the Country of Denmark and having a principal place of business at Holtedam 1, 3050 Humlebaek, Denmark hereinafter collectively referred to as "Corporation," desires to acquire the entire right, title and interest in and to the inventions for the United States and for all foreign countries and in and to any and all foreign and domestic Letters Patent which may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which I hereby acknowledged, we each ("I") have sold, assigned, transferred and set over and by these presents do sell, assign, transfer and set over unto Corporation, its successors and assigns, the entire right, title and interest in and to the inventions, and the entire right, title and interest in and to any and all Letters Patent of the United States and any foreign countries that may be granted therefor including rights under the International Convention for the Protection of Industrial Property, and in and to any and all extensions, divisions, continuations, continuations-in-part or reissues of the Letters Patent that may be granted, the same to be held and enjoyed by Corporation for its own use and benefit and use and benefit of its successors and assigns to the full end of the term for which the Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made, and also hereby authorize Corporation and its employees to insert the serial number and filing date above after this document has been executed if necessary;

AND, for the consideration acknowledged above, we each acknowledge that Timothy Andrew Bachman has authority to assign rights from Primordial Soup, LLC to Corporation and that Primordial Soup, LLC, to the extent that it has any right, title or interest to the inventions, agrees that it has sold, assigned, transferred and set over and by these presents does sell, assign, transfer and set over unto Corporation, its successors and assigns, the entire right, title and interest in and to the inventions, and the entire right, title and interest in and to any and all Letters Patent of the United States and any foreign countries that may be granted therefor including rights under the International Convention for the Protection of Industrial Property, and in and to any and all extensions, divisions, continuations, continuations-in-part or reissues of the Letters Patent that may be granted, the same to be held and enjoyed by Corporation for its own use and benefit and use and benefit of its successors and assigns to the full end of the term for which the Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by Primordial Soup, LLC had this assignment and sale not been made, the signature of Timothy Andrew Bachman is evidence of the assignment of the above-identified rights from Primordial Soup, LLC to

Corporation and he and Primordial Soup, LLC hereby acknowledge his authority to sell and/or convey property of Primordial Soup, LLC;

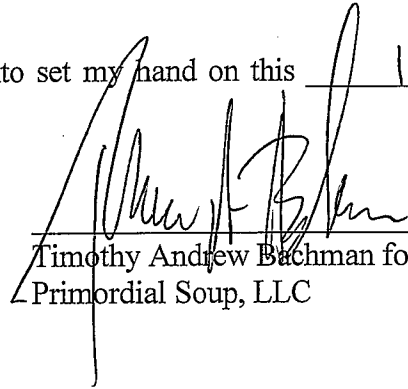

AND, for the consideration acknowledged above, it is materially represented to Corporation, its successors and assigns, that the undersigned, at the time of the execution and delivery of these presents, lawfully own the entire right, title and interest in and to the inventions, applications and Letters Patent above mentioned, and that the same are unencumbered, and that the undersigned have good, right and lawful authority to sell and/or convey the same in the manner herein set forth;

AND, for the consideration acknowledged above, the undersigned hereby individually covenant and agree to and with Corporation, its successors and assigns, that whenever its counsel or the counsel of its successors or assigns, shall advise that an amendment or division of, or continuation or any continuation-in-part thereof, or any other proceeding in connection with the filing or prosecution of the domestic or foreign patent applications, including interference proceedings, is lawful and desirable, or that a reissue or extension of the Letters Patent is lawful and desirable, I, or my executors, administrators or assigns will sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for the invention, or for the reissue or extension of the same, without charge to Corporation or its successors or assigns.
