ASSIGNMENT

Whereas, I, **SHAWN M. CHAWGO** of 8443 Rollercoaster Drive, Cicero, New York 13039, have invented certain improvements in an invention for an:

OPEN COMPRESSION-TYPE COAXIAL CABLE CONNECTOR

And whereas, John Mezzalingua Associates, Inc., a corporation duly organized and existing under the laws of the State of Delaware, and having its principal place of business at 6176 East Molloy Road, East Syracuse, New York 13057-0278 (hereinafter referred to as "PPC"), desires to secure the entire right, title, and interest in the invention, and to any United States and foreign patents to be obtained therefore;

And whereas preferred embodiments of said invention are disclosed in a United States Patent Application executed by us and now identified as File No. ID-1622-US and filed in the United States Patent and Trademark Office as Serial No. 29/365,435 on _____. (We hereby authorize the attorneys for PPC to insert said serial number and filing date when known.)

Now therefore, for a valuable consideration, receipt whereof is hereby acknowledged, we, the above named, hereby sell, assign, and transfer to PPC, its successors and assigns:

The entire right, title and interest in said invention in the above-identified United States patent application and in all divisions, continuations and continuations-in-part of said application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention of such applications.

We hereby authorize and request the United States Commissioner of Patents and Trademarks and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents to issue any and all patents on the invention to Assignee as the owner of the entire interest, for the sole use of Assignee, its successors, assigns and legal representatives.

We hereby agree, without further consideration and without expense to us, to execute all papers necessary in connection with the United States and foreign applications when called upon to do so by PPC.
