ASSIGNMENT

WHEREAS, **International Seal Company, Inc.**, a Nevada corporation, having a place of business at 1087 Park Place, Shakopee, MN 55379-1889, hereinafter referred to as Assignor, is the owner of the entire title, right and interest, world-wide, of the U.S. Patents patents listed on the attached Schedule A;

WHEREAS, **Dichtomatik North America, L.P.**, a Delaware limited partnership, having a place of business at 1087 Park Place, Shakopee, MN 55379-1889, hereinafter referred to as Assignee, is desirous of acquiring an interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt whereof is hereby acknowledged, Assignor by this written document does sell, assign and transfer unto Assignee and its successors in interest, the full and exclusive right in the United States of America and all foreign countries, including the right to claim priority under the laws of the United States and the Paris Convention, to the said inventions and all United States applications for patent and all Letters Patents therefor to be held and enjoyed by Assignee to the full end of the term for which said Letters Patents are granted and any extensions thereof as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made; and Assignor hereby covenants and agrees to execute all instruments or documents required for the making and prosecution of United States application for patent and all foreign countries on, for litigation regarding, or for the purpose of protecting title to the said invention, the United States application for patent, or Letters Patent therefore for the benefit of Assignee without further or other compensation than that above set forth; and Assignor hereby requests the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States of America to Assignee.
