RELEASE OF A SECURITY INTEREST -- PATENTS

WHEREAS, SYNCSORT INCORPORATED (the "Grantor") owns the letter patents, design patents and utility patents listed on the attached Schedule A, which patents are issued or applied for in the United States Patent and Trademark Office (the "Patents");

WHEREAS, the Grantor entered into a First Lien Pledge and Security Agreement, dated March 31, 2008 (as amended, restated, supplemented, modified or otherwise changed from time to time, the "Security Agreement"), in favor of Ableco Finance LLC, as the Collateral Agent for itself and certain lenders (in such capacity, together with its successors and assigns, if any, the "Grantee");

WHEREAS, pursuant to the Security Agreement, the Grantor granted to the Grantee, and granted to the Grantee for the benefit of the Secured Parties (each such term as defined in the Security Agreement), a continuing security interest in all right, title and interest of the Grantor in, to and under the Patents and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the "Collateral"), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement);

WHEREAS, a Grant of a Security Interest was recorded on April 17, 2008 on behalf of the Grantee in the United States Patent and Trademark Office, at Reel/Frame 020762/0312, to evidence the security interest granted under the Security Agreement; and

WHEREAS, the Grantor has either satisfied or fulfilled all of its obligations to release Grantee's security interest in the Patents under the Security Agreement, and the parties seek to make a record of the Grantee's release of its security interest in the Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantee hereby releases, discharges and relinquishes its continuing security interest in the Patents and reassigns any and all right, title and interest therein, without any recourse, representation or warranty of any kind, express or implied, to the Grantor. The Grantee specifically acknowledges that its security interest in the Patents is no longer in force.

IN WITNESS WHEREOF, the Grantee has caused this Release to be duly
