ASSIGNMENT

(For Execution Prior To Filing Patent Application)

PATENT

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, WE,

the undersigned, Knut S. Grimsrud and Richard L. Coulson

hereby sell, assign, and transfer to INTEL CORPORATION

a corporation of Delaware, having a principal place of business at 2200 Mission College Boulevard,

Santa Clara, California 95052, ("Assignee"), and its successors, assigns, and legal representatives,

the entire right, title, and interest for the United States and all foreign countries, in and to any and all

improvements that are disclosed in the application for the United States patent that has been executed by

the undersigned prior hereto or concurrently herewith on the dates indicated below and is entitled

OPTIMIZED CD/DVD AUTHORIZING EMPLOYING BLOCK REALLOCATION

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other

patent applications that have been or shall be filed in the United States and all foreign countries on any of

said improvements; and in and to all original and reissued patents that have been or shall be issued in the

United States and all foreign countries on said improvements; and in and to all rights of priority resulting

from the filing of said United States application;

agree that said Assignee may apply for and receive a patent or patents for said improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns, and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney, and other papers; communicate to said Assignee, its successors, assigns, and representatives all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible that said Assignee, its successors, assigns, or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements, and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns, and legal representatives; and

covenant with said Assignee, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
