**ASSIGNMENT**

WHEREAS I, **Murray J. Burke**, whose full post office address is **2-2110 Marine Drive, Oakville, Ontario, L6L 1B7, Canada** is the inventor of an invention entitled **PROCESS APPARATUS WITH OUTPUT VALVE AND OPERATION THEREOF** filed concurrently herewith;

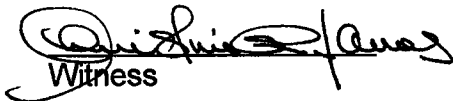

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, I, **Murray J. Burke** hereby sell and assign, and hereby do sell and assign, transfer and set over to **SunOpta BioProcess Inc.**, a corporation whose address is **2838 Bovaird Drive West, Brampton, ON L7A 0H2, Canada**, as assignee, all my right, title and interest for Canada, the United States of America, its territories, dependencies and possessions and all other countries in and to said invention, in and to any said patent application and in and to any divisions, continuations, extensions of, and supplementary disclosures thereto, and in and to any patents that may be granted for said invention and in and to any additions or modifications to said invention.

I agree that I will without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain patents for said invention or in connection with any interference or protest which may be declared, and for any divisions, continuations, extensions of, and supplementary disclosures, additions and modifications thereto, in any and all countries, and also to execute separate assignments in connection with such applications and patents as **SunOpta BioProcess Inc.** may deem necessary or expedient, and to vest title thereto in said assignee, its successors, assigns and legal representatives or nominees.

I authorize and empower said assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said invention or for additions and modifications thereto, filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us.

The Commissioner of Patents & Trademarks is hereby authorized and requested to issue said Letters Patent to said **SunOpta BioProcess Inc.**, the assignee of the entire right, title and interest in and to the same, for its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

SIGNED AT Brampton, Ontario, Canada, 15 day of July, 2010.

  
Witness
