## ASSIGNMENT OF RIGHTS

WHEREAS, I, Dacey J. RYAN, having an address of 2F, 16 Forth Lane, Sha Kok Mei, Sai Kung, New Territories, Hong Kong, have co-invented certain new and useful improvements disclosed in International Patent Application No. PCT/US2010/035864, titled "Composition for Use in Decreasing the Transmission of Human Pathogens," filed May 21, 2010 (the "Patent Application"), and whereas I am now co-owner of the Patent Application; and

WHEREAS FILLIGENT LIMITED, incorporated in the Cayman Islands, Registration No. 110030, having a post office address of 7th Floor, 69 Jervois Street, Sheung Wan, Hong Kong, China, together with any successors, legal representatives or assigns (the "Assignee") wants to acquire my entire right, title and interest in the improvements and the Patent Applications;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I have sold, assigned, transferred and set over, and do hereby sell, assign, transfer and set over to Assignee the entire right, title and interest in and to the improvements and the Patent Application, and all divisions, substitutions, continuations and continuations-in-part thereof, and all applications claiming the benefit of the Patent Application, and all patents which may be granted taking priority from the Patent Application, and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property for every member country, and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for the improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for the improvements in any foreign countries; and I hereby authorize and request the United States Commissioner of Patents and Trademarks, and any officials of foreign countries whose duty it is to issue patents on applications taking priority from the Patent Application, to issue all patents for the improvements to Assignee in accordance with the terms of this Assignment;

**PATENT**

**REEL: 024753 FRAME: 0346**

AND I HEREBY covenant that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith;

AND I HEREBY further covenant and agree that I will communicate to Assignee any facts known to me respecting the improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuations-in-part, substitute and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for the improvements in all countries.

IN TESTIMONY WHEREOF, I hereunto set my hand this 27th day of May, 2010.
