**We take ice seriously, because we know you do too.**

**We've been helping people break the ice for 60 years.**

In 1950 we reinvented ice with the introduction of an ice cube that was crystal clear, virtually free of the minerals that clouded ice until then. Slow melting, it was perfect for drinks. We've been reinventing ice ever since with innovations like nugget ice, which is preferred by customers and more profitable for operators. Our innovative tradition continues with **ENERGY STAR<sup>®</sup>** products such as the **Prodigy<sup>®</sup>**, one of the smartest, most energy-efficient ice machines on the market. And the **Prodigy<sup>®</sup> Eclipse<sup>®</sup>**, which conserves space while reducing heat and noise. Reliability is built into our innovative ice machines with state-of-the-art diagnostics, easy access servicing and
