ASSIGNMENT

WHEREAS, I, WILLIAM G. FOX of White Plains, Kentucky have made certain new and useful inventions as disclosed in a U.S. Patent Application entitled **NON-TENSIONABLE CABLE BOLT APPARATUS AND RELATED METHOD**, and assigned Ser. No. 12/849,115, filed August 3, 2010;

AND WHEREAS, **Rhino Technologies LLC**, a limited liability company, organized under the laws of the state of Delaware, having its principal office at 424 Lewis Hargett Circle, Suite 250, Lexington, Kentucky 40503 (hereinafter referred to as assignee) is desirous of acquiring the entire right, title and interest in and to said inventions and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor based on this application;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign, transfer and set over unto **Rhino Technologies LLC**, its legal representatives, successors, and assigns, the entire right, title and interest in and to said inventions as set forth in the above-mentioned application, to the application itself, and in and to any and all Letters Patents of the United States and foreign countries which may be issued for the inventions disclosed therein;

UPON SAID CONSIDERATIONS, I hereby agree with said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said inventions, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being

Docket No. 368-012

that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee;

AND I authorize the law firm of King & Schickli, PLLC to insert the serial number of the application herein when such is known;

AND I request the Commissioner of Patents and Trademarks or the corresponding official in any foreign country in which a patent or patents may issue for said inventions to issue said patent or patents to Rhino Technologies LLC, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patents and the inventions covered thereby.
