U.S. INTELLECTUAL PROPERTY SECURITY AGREEMENT

This U.S. INTELLECTUAL PROPERTY SECURITY AGREEMENT ("IP Security Agreement") dated June 23, 2010, is made by (i) *Siam Mobile Silicon Ltd.* (the "Grantor"), a company organized under the laws of the State of Israel (Company No. 51-3553867), with offices located at 6 Hingavish St., Netanya, Israel, and (ii) the entities identified in the signature page below, with offices located at 12 Abba Eben Blvd., Herzliya Pituach, Israel (collectively, "Plema"), all of which shall be represented exclusively hereunder by Plema Management (2004) Ltd. and Plema Management III 2007 Ltd. (collectively, "Plema Management").

WHEREAS, Grantor and Plema have entered into that certain Loan Agreement, dated June 23, 2010 ("Loan Agreement"), to which a Floating Charge Agreement (the "Floating Charge Agreement") and a Fixed Charge Agreement (the "Fixed Charge Agreement"), executed by the Grantor and Plema, were attached as exhibits; and

WHEREAS, under the terms of the Floating Charge Agreement, Grantor has agreed, among other things, to create a floating charge on the intellectual property of Grantor for the benefit of Plema and under the Fixed Charge Agreement a fixed charge on the intellectual property of Grantor for the benefit of Plema, and in addition to the creation of the charges pursuant to the Fixed Charge Agreement and the Floating Charge Agreement, to execute this IP Security Agreement for recording with the U.S. Patent and Trademark Office and other governmental authorities (if and to the extent required) on any intellectual property owned by it throughout the term of this IP Security Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, Grantor agrees as follows:

1. **General.** The Preamble to this Agreement constitutes a part hereof. All capitalized terms used and not otherwise defined herein shall have the meaning assigned to such terms in the Loan Agreement.
2. **Grant of Security.** Subject to, and without derogating from, the provisions of the Floating Charge Agreement and the Fixed Charge Agreement (collectively, the "Charge Agreements"), Grantor hereby grant to Plema a security interest in and to all of such Grantor's right, title and interest (as set forth in the Charge Agreements) and to the following (the "Collateral"):
 - 2.1. all current and future United States patents and pending applications therefore owned by the Grantor, including but not limited to the patents and patent applications, set forth in Schedule A hereto together with all renewals, divisions, continuations, continuations-in-part, extensions and reexaminations thereof, and all rights therein provided by international treaties or conventions (the "Patents");
 - 2.2. all current and future United States trademarks and service marks and pending applications thereof owned by the Grantor, including but not limited to the trademarks and service marks and trademarks and service marks applications, set forth in Schedule A hereto together with all renewals, divisions, continuations, continuations-in-part, extensions and reexaminations thereof, and all rights therein provided by international treaties or conventions (the "Trademarks");
 - 2.3. any and all claims for damages for past, present and future infringement, misappropriation or breach with respect to the Patents or Trademarks, with the right,

-2-

but not the obligation, to sue for and collect, or otherwise recover, such damages; and

2.4. any and all proceeds of the foregoing.

Section 3. Security for Obligations. The grant of a security interest in the Collateral by Grantor under this IP Security Agreement secures the payment of all money and liabilities owed or incurred now or hereafter existing under or in respect of the Transaction Agreements or otherwise from the Grantor or any of its affiliates.

Section 4. Recording. Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this IP Security Agreement.

Section 5. Execution of Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Section 6. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Loan Agreement and the Charge Agreements (as defined in the Loan Agreement). The Grantor hereby acknowledges and confirms that the grant of the Security Interest hereunder to, and the rights and remedies of, Plenus with respect to the Collateral are more fully set forth in the Loan Agreement and/or the Charge Agreements, as applicable and in the event of any contradiction between this IP Security Agreement and the Loan Agreement or the Charge Agreements, the provisions of the Loan Agreement or the Charge Agreements (as the case may be) will prevail.

Section 7. Governing Law, Forum for Dispute Resolution. This Agreement shall be governed by and construed according to the laws of the State of Israel, without regard to the conflict of laws provisions thereof. Any dispute arising under or in relation to this Agreement, other than matters related to the internal affairs of Plenus, shall be resolved in the competent court for the Tel Aviv-Jaffa district, and each of the parties hereby submits exclusively and irrevocably to the jurisdiction of such court.
