ASSIGNMENT

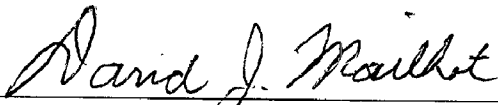

Whereas, David J. Mailhot of Coventry, Connecticut, Nimish Gandhi of Wethersfield, Connecticut, and Timothy J. McGrath of Arlington, Massachusetts, have invented certain new and useful improvements related to Corrugated Stormwater Chamber Having Sub-Corrugations, as described in U.S. patent application No. 12/802,483 filed on June 7, 2010 and bearing Attorney Docket No. 2834;

Whereas, David J. Mailhot, Nimish Gandhi and Timothy J. McGrath possess all right, title, and interest in the foregoing inventions and application, free from all encumbrance, and has full right to convey their interest; and

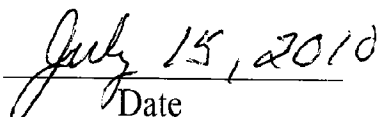

Whereas, StormTech LLC a State of Delaware limited liability company having a business address at 20 Beaver Road, Wethersfield, Connecticut 06109, is desirous of acquiring certain right, title and interest in same;

Now Therefore, in consideration of one dollar and other consideration received, David J. Mailhot, Nimish Gandhi and Timothy J. McGrath by these presents do hereby grant to StormTech LLC the full and exclusive right in said inventions, in said application, in any further applications related thereto (including continuations, divisions, re-issues and continuations in part), in any patents arising therefrom, and in any applications filed in foreign countries, including the right to file foreign applications under the provisions of the International Convention; and also the entire right, title and interest in and to any and all patents or reissues or extensions thereof obtained in the United States of America and any foreign country upon said inventions; and they hereby authorize and request any patent issuing authority to issue any and all patents on said applications to StormTech LLC, or its successors or assigns, as assignee for its sole use and behoof.

David J. Mailhot, Nimish Gandhi and Timothy J. McGrath further agree on behalf of themselves, their successors, heirs and assigns, that upon request of the assignee and without any further payment or compensation, to communicate to the assignee any facts relating to said invention including evidence for interference purposes or other legal proceedings, to testify in any interference or other legal proceedings, to execute and deliver all lawful papers, and generally to do everything possible to aid the assignee to obtain and enforce patent protection for said invention in the USA or any foreign country.
