ASSIGNMENT

THIS ASSIGNMENT is by Steve Clayton (the "Assignor"), whose mailing address is 80 Brandywine Rd., Skillman, New Jersey 08558. The Assignor has invented one or more certain inventions (the "Invention(s)") described in a United States Patent Application entitled MOBILE DEVICE NOTIFICATION WITH OPTIONS (the "Application") and executed concurrently herewith.

AT&T Wireless Services, Inc., a corporation of the State of Washington having a place of business at Redmond, Washington ("Assignee"), desires to acquire the entire right, title and interest in and to the Invention(s) and the Application, and in and to any patents (collectively, "Patents") that may be granted for the Invention(s) in the United States or in any foreign countries.

For valuable consideration, the receipt and sufficiency of which Assignor acknowledges, Assignor hereby sells, assigns, and transfers to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to: the Invention(s), the Application, and any Patents; any divisions, continuations, and continuations-in-part of the Application and any other application claiming priority rights from the Application; any reissues, reexaminations, or extensions of any and all Patents; the right to file foreign applications directly in the name of Assignee; and the right to claim priority rights deriving from the Application (collectively, the "Rights"). Assignor warrants that he or she is the sole owner of the Rights, and that the Rights are unencumbered. Assignor also agrees to not sign any writing or do any act conflicting with this assignment, and, without further compensation, sign all documents and do such additional acts as Assignee deems necessary or desirable to: perfect Assignee's enjoyment of the Rights; prepare and prosecute the Application or any other applications for Patents; conduct proceedings regarding the Rights, including any litigation or interference proceedings; or perfect or defend title to the Rights. Assignor requests the Commissioner of Patents to issue any Patent of the United States that may be issued on the Invention(s) to Assignee.

Date: 5/15/2004

Steve Clayton
Steve Clayton

STATE OF New Jersey
COUNTY OF Somerset

On May 19, 2004 before me, Tiffany Torpey,
personally appeared Steve Clayton, personally known to me (or proved to me on the basis of
satisfactory evidence) to be the person whose name is subscribed to the within instrument and
acknowledged to me that he/she executed the same in his/her authorized capacity, and that
by his/her signature on the instrument the person, or the entity upon behalf of which the
person acted, executed the instrument.

WITNESS my hand and official seal.
