RE: Release from Security Agreement

In support of our August 9, 2010 Recordation Form, I wanted to inform you that U.S. patent 6,664,112 (recorded at Reel/Frame 013244/0282), U.S. patent 4,652,639 (licensed), and U.S. applications 60/218,023, 60/278,086, and 60/341,409, earlier conveyed via security agreement to IBH-II, L.P., should be released as the underlying debt has been discharged.

IBH-II, L.P. received 1,553,962 shares of Series A-I Preferred Stock from Blue Heron Biotechnology, Inc. on July 1, 2003 in exchange for the outstanding promissory note. A receipt showing IBH-II, L.P. received the shares was signed November 11, 2003. This stock transfer discharged all liens held by IBH-II against the patents and applications noted above. Therefore, the security agreement noted at 013244/0282 was paid in full and IBH-II retains no interest in any of the patents and applications noted above.

Any additional documentation necessary can be provided. Please let us know if you have any questions or comments.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason A. Barron", written over a horizontal line.

Jason A. Barron
