PATENT APPLICATION ASSIGNMENT

WHEREAS, I, the undersigned inventor, of residence as listed, have invented new and useful improvements in a INDOOR OR OUTDOOR PORTABLE GEL FUEL FIREPLACE WITH HANDLES, for which application is being made for Letters Patent, said application being executed by me on the date set forth below, and further identified by Attorney Docket No. SOU109PU; and

WHEREAS, Southern Enterprises, Inc., an organization in the State of Texas, herein referred to as "assignee," having a correspondence address of 600 Freeport Parkway Suite 200, Coppell, TX 75019, is desirous of acquiring my entire right, title, and interest in said application and any Letters Patent which may issue thereon;

NOW THEREFORE, be it known by all whom it may concern that for and in consideration of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, I hereby assign, sell, transfer and set over unto said assignee for the territory of the United States of America and the entire world my entire right, title, and interest in and to said invention, patent application, including all non-provisional applications, divisions, continuations and substitutions thereof, and any patent which may issue thereon, including all priority rights for patent applications foreign to the United States of America, including all reissues, renewals and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file corresponding applications for Letters Patent on said invention in any and all foreign countries, and to claim priority under any and all treaties and conventions to which the United States of America is signatory including the Paris Convention for the Protection of Industrial Property for such corresponding applications, or any division, continuation or substitution thereof, the same to be held and enjoyed by said assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by me, had this assignment not been made.

I hereby covenant and agree that I will at any time, upon the request and at the expense of said assignee, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention, applications, and patents, and I authorize the Director of Patents and Trademarks to issue all Letters Patent based on said application and all said divisions, continuations, continuations-in-part, continuing patent applications, reissues, renewals and extensions to said assignee.
