Addendum to Recordation Form Cover Sheet

Continuation of Box 3:

The present assignment recordation is being filed in order to record a corrected assignment and to request correction of recordation data for U.S. Patent Application No. 11/973, 261 currently recorded at reel/frame 022153/0664 .

On January 6, 2009 an assignment transferring ownership of U.S. Application No. 11/973,261 from sole inventor Stuart Wertzberger to Maestro Associates, LLC was filed electronically with the United States Patent and Trademark Office. The assignment document and the assignment recordation data entered electronically contained the following errors:

The Title of the Invention on the assignment document was incorrectly identified as "Double Patent Poker."

The city of the receiving party entered in the electronic patent assignment coversheet was misspelled "Willmington."

The Application Number of the application to be assigned was incorrectly identified in the electronic patent assignment coversheet as "11/973,281."

Applicants herewith submit a corrected assignment document and a copy of the electronic patent assignment cover sheet with the following corrections:

The incorrect Title of the Invention on the assignment document listed as "Double Patent Poker" is stricken and the correct Title of the Invention is identified as "Double Button Poker." This correction has been initialed and dated by the party conveying the interest, namely, Stuart Wertzberger in accordance with MPEP §323.

The incorrectly identified city of the receiving party on the electronic patent assignment cover sheet listed as "Willmington" is stricken and the correct city of the receiving party is identified as "Wilmington."

The incorrectly identified Application Number of the application to be assigned on the electronic patent assignment cover sheet listed as "11/973,281" is stricken and the correct Application Number of the application to be assigned is identified as "11/973,261." The Application Number of the application to be assigned is correctly identified as "11/973,261" on the assignment document.

**Assignment of Rights, Title and Interest in Invention
(Multiple Inventors; single assignee)**

Docket No.
121024002

Whereas, we, the above-identified Inventors, have invented certain new and useful improvements in the invention identified above and described in the above-identified patent application(s) and/or patent(s) (hereinafter referred to as "Invention");

And, whereas we desire to assign our above-identified rights, title and interest in the Invention to the above-identified Assignee;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged;

We hereby assign, sell and transfer our above-identified rights, title and interest in said Invention, said application(s) as identified above, including any divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted or have been granted for said Invention, and in and to any and all reissues and reexaminations thereof, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee;

And we hereby authorize and request the Director of the United States Patent and Trademark Office to issue any United States Letters Patent which may issue for said Invention to said Assignee, as assignee of the whole right, title and interest thereto;

And we further agree to sign and execute all necessary and lawful future documents, including applications for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or, for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee or its Designee(s) may from time to time require and prepare at its own expense.
