ASSIGNMENT

WHEREAS, **Jon J. LEININGER**; (hereinafter referred to as the "Assignor") whose full post office address is 4447 Ide Road, Wilson, New York, 14172 U.S.A., made an invention entitled:

PNEUMATIC TOOL WITH INTEGRATED ELECTRICITY GENERATOR

for which a United States Patent Application was filed on May 21, 2004 and accorded serial number 10/851,532 and which issued on August 22, 2006 under Patent No. 7,095,142.

AND WHEREAS, **H & S Autoshot Manufacturing Company, Ltd.**, (hereinafter referred to as the "Assignee") whose full post office address is **49 Mountainview Road North, Georgetown, Ontario, Canada, L7G 4J7**, is desirous of acquiring and has acquired from the said Assignor one half, right, title and interest in and to the said invention;

AND WHEREAS, **Volt Aire Corporation**, (hereinafter referred to as the "Assignee") whose full post office address is **1075 Kingwood Dr. Ste 150, Kingwood Texas 77339, U.S.A.**, is desirous of acquiring and has acquired from the said Assignor one half, right, title and interest in and to the said invention;

NOW THEREFORE to all whom it may concern be it known that for and in consideration of the sum of one dollar (\$1.00) to him in hand paid by the said Assignees and other good and valuable consideration the receipt of which is hereby acknowledged, the said Assignor hereby confirms that he has sold, assigned and transferred, and does hereby sell, assign and transfer to the said Assignees, its successors and assigns, his entire right, title and interest in and to the said invention for all countries and in and to the said United States Patent Application and all Letters Patent that may be obtained therefor in the United States of America and in Canada, and in and to any corresponding patents and patent applications therefor in other countries.

AND the said Assignor hereby authorizes and requests the Commissioner of Patents to issue United States Letters Patent for the said invention to said Assignees, the assignees of the entire right, title and interest in and to the same, for its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which a United States Letters Patent may be granted, as fully and entirely as the same would have been held by him had this assignment and sale not been made.

I hereby undertake without liability at any time upon request to do everything legally possible to assist the said Assignees in the filing and prosecution of any patent application relating to the said invention in any country, to sign such documents and do such things as may be required to give effective legal and registered title of the said Assignees to the invention in any country, all without further consideration but at the expense of the said Assignees.

SIGNED at NIAGARA FALLS NEW YORK, U.S.A., this 14th
day of JULY, 2010.

Jon J. Leininger
