PATENT ASSIGNMENT AGREEMENT

This PATENT ASSIGNMENT AGREEMENT effective June 30, 2010 is between Eco-Snow Systems LLC, a limited liability company organized and existing under the laws of Delaware, and having an office at 4935A Southfront Road, Livermore, California 94551 U.S.A. (the "Assignor"), and RAVE N.P., Inc., a corporation organized and existing under the laws of Delaware, and having an office at 430 South Congress Avenue, Suite 7, Delray Beach, Florida 33445 U.S.A. (the "Assignee").

WHEREAS, Assignor desires to assign and otherwise transfer its right, title and interest in and to the Letters Patent and patent applications listed on Appendix A attached hereto ("Patents"). For good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, and on the terms set forth herein, Assignor desires to assign and Assignee desires to acquire Assignor's right, title and interest in and to the Patents, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any reissues or extensions thereof, and in and to any and all Letters Patent in any or all countries or reissues thereof that may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim the priority of said applications in all countries in accordance with the International Convention for the Protection of Industrial Property, as it may be amended (the "International Convention"), the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign and transfer to Assignee and its successors, assigns and nominees, as the assignee, without any restrictions, reservations or limitations, (a) its right, title and interest in and to the grants of said Patents, and all reissues and extensions thereof; and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent in any or all countries or reissues thereof that may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim the priority of the said applications in all countries in accordance with the International Convention, the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made; and (b) the right to enforce said Patents with the right to sue for and recover for its own use accrued profits or damages for any and all infringements thereof.
