WHEREAS, James H. Muir hereinafter referred to as assignor, has made certain improvements or inventions in a PERFUME BOTTLE as an inventor with Platine Da Vinci for which said assignor has executed an application for United States Letters Design Patent on the 22nd day of July 2010; and

WHEREAS, Platine Da Vinci hereinafter referred to as assignee, is desirous of acquiring all of coinventor/Assignor's rights and interest therein;

NOW THEREFORE, This Indenture Witnesseth: That for and in consideration of ONE DOLLAR, lawful money of the United States and other good and valuable consideration, receipt whereof is hereby acknowledged, said assignor does hereby sell, assign, and transfer to said assignee, its successors and assigns, all right, title and interest in and to said U.S. Design Patent Application, the invention or inventions therein shown and described and any improvements on said inventions heretofore or hereafter made, any divisions or continuations of said application, and all patents, United States and foreign, to be granted upon any such application, or for the invention or inventions thereof, and any reissues, continuations or extensions of said patents; and said assignor does hereby authorize and request the Commissioner of Patents to issue all patents on said United States Patent applications or for the invention or inventions hereof, in accordance with this assignment.

And said assignor for said consideration hereby covenants and agrees that said assignor is the owner of the full title herein conveyed and has the right to convey the same, and agrees that said assignor will communicate to said assignee, any facts known to said assignor respecting said invention or inventions, and testify in any legal proceedings when called upon by said assignee, sign all lawful papers deemed by said assignee as expedient to vest in it the legal title herein sought to be conveyed or for the filing and prosecution of all applications and patents, United States and foreign, and otherwise aid said assignee, its successors and assigns, in obtaining full patent protection on said invention and enforcing proper protection under said patents, but in every instance at the assignee's expense.

Signed and sealed this 27<sup>th</sup>  
day of July, 2010.
