ASSIGNMENT

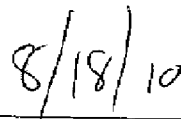

For value received, the receipt of which is hereby acknowledged, the following inventor Bruce McFarland ANUMANA (the "ASSIGNOR") hereby assigns, transfers and sets over to American Wave Machines, Inc., having a place of business at 224 South Cedros, Suite C Solana Beach, California, 92075 (the "ASSIGNEE"), the entire worldwide right, title and interest in and to the invention known as *Reflecting Wave Generator Apparatus and Method*, for which the following application has been sought United States Application No. 11/865,573 filed on October 1, 2007, and all rights and privileges under any Letters Patent which may be granted thereon.

1. The ASSIGNOR agrees without charge to said ASSIGNEE to (a) execute (i) all necessary papers to be used in connection with this application and any additional necessary or expedient, (ii) all papers in connection with any interference or other legal or quasi-legal proceedings relating to this application or any additional, continuing, or divisional application thereof, (iii) all papers and documents which may be necessary in connection with the preparation and filing of any foreign applications, including PCT applications, or with making claims to priority rights granted under the provisions of the International Convention for Protection of Industrial Property or similar agreements; and (b) to cooperate with ASSIGNEE in obtaining evidence and going forward in any proceeding in connection with this application. The ASSIGNOR agrees to perform all other affirmative acts that may be necessary or desirable to obtain a grant of a valid patent for said invention in any country throughout the world.

2. ASSIGNOR hereby authorizes and request the Commissioner of Patents and Trademarks of the United States, and the appropriate officials in any other country, including the relevant authorities under the Patent Cooperation Treaty, to issue any and all Letters Patent that my be granted upon said patent application or any additional, continuing or divisional applications thereof to the ASSIGNEE, its successors and assigns.

3. ASSIGNOR hereby covenants and warrants that he has full right to convey the entire right, title and interest by this instrument, free of any encumbrances and that no other agreement has been or will be executed in conflict herewith.

Bruce McFarland
