ASSIGNMENT OF PATENT

TWENTY FIRST CENTURY INTERNATIONAL FIRE EQUIPMENT AND SERVICES CORPORATION, having a correspondence address of 3249 West Story Road, Irving, Texas 75038 ("Assignor") is the owner of United States Letters Patent for the Pneumatic Gas Valve, number 5,297,636, ("the Patent").

GUARDIAN PATENT, LLC, a Texas limited liability company ("Assignee"), whose address is 8701 Carpenter Freeway, Suite 230, Dallas, TX 75247, wants to acquire the entire right, title and interest in and to the improvements and the Patent.

For a good and valuable consideration consisting of a portion of the membership interest in Assignee, the receipt of which is acknowledged, Assignor assigns, and transfers to Assignee the entire right, title and interest in and to the Patent, and all reissues and extensions thereof, and all priority rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes for every member country; and all applications for patents (including related rights such as utility-model registrations, inventor's certificates, and the like) heretofore or hereafter filed for the improvements in any foreign countries, and all patents (including all extensions, renewals and reissues thereof) granted for the improvements in any foreign countries;

And for the same consideration, Assignor transfers and assigns to assignee all damages for past infringements of the Patent.

Assignor covenants that it has the full right to convey the entire interest assigned, and that it has not executed, and will not execute, any agreement in conflict with this assignment.

Assignor further covenants and agrees that it will communicate to Assignee any facts known to it respecting the Patent and testify in any legal proceeding, sign all lawful papers, execute all reissue applications, make all rightful oaths and generally do everything possible to aid Assignee to obtain and enforce proper patent protection for the improvements in all countries.

This assignment is effective January 1, 2005.

SIGNED this the 14th day of January 2005.
