SWORN STATEMENT OF CORPORATE COUNSEL OF ROCKET SOFTWARE, INC.

Two patents, numbers 6915301 and 6631497, were assigned to International Business Machines Corporation in 2002, but were never assigned to Rocket Software, Inc. (or its then subsidiary, Mainstar Software Corporation).

Security agreements between Rocket Software, Inc. and Wells Fargo Foothill, Inc., One Boston Place, 18th Floor, Boston, MA 02108, concerning these patents were erroneously recorded on the following Reel/Frames:

Reel/Frame: 016172/0026 [Security Agreement]

Reel/Frame: 016686/0300 [1st Amendment to Security Agreement]

Reel/Frame: 019399/0427 (corrected by Reel/Frame 019679/0322) [Mainstar Security Agreement]

As Rocket Software, Inc. was never assigned the referenced patents, Rocket Software did not have the requisite ownership interest of the patents and therefore, the security interests listed as having been granted by Rocket to Wells Fargo Foothill should never have been recorded.

Rocket Software, Inc. did not grant a security interest in this patent and Wells Fargo does not hold such security interest as currently displayed on Reel/Frame 019399/0427.

So sworn this 20th day of August 2010,

Peter Kaes

Corporate Counsel

Rocket Software, Inc.
