ASSIGNMENT

The undersigned, John A. D'Amico, Jr., an individual residing at 4554 Ash Drive, Nazareth, PA 18064 and Jeffrey M. Newman, an individual residing at 130 Freedom Court, Bethlehem, PA 18020 (hereinafter "Assignors") are co-inventors and co-owners of the following US patents together with any divisions, continuations, continuations-in-part, reexaminations, reissues, foreign or international equivalents and any extensions thereof:

US Pat. 6053276, entitled "Muffler packing method with injection of cartridge continuous filament fiberglass," granted April 25, 2000 on application SN 09/094,327, filed June 9, 1998; and,

US Pat. 6068082, entitled "Muffler packing method and apparatus," granted May 30, 2000 on application SN 08/975,910, filed November 21, 1997.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors agree and do hereby sell, assign, transfer and convey our entire right, title, and interest in said inventions, said US patents thereon and any and all said divisions, continuations, continuations-in-part, reexaminations, reissues, foreign or international equivalents and any extensions to Molded Acoustical Products of Easton, Inc. ("Assignee"), a corporation of Pennsylvania with a place of business at 3 Danforth Drive, Easton, PA 18045, also doing business as M.A.P. of Easton, Inc.

Assignors agree to perform all legal acts reasonably requested by Assignee, but at Assignee's expense, to confirm this assignment and the conveyance of Assignors' entire right, title and interest in the conveyed patents and inventions to Assignee and its successors and assigns; to communicate to Assignee or its designees all facts known to us with respect to said inventions; to testify in any legal proceedings relating to the subject matter assigned for asserting or defending the assigned patents, and generally do everything reasonable to aid Assignee in obtaining, enforcing and/or defending their rights as hereby assigned.

Assignors covenant with Assignee and its successors and assigns that to the best of Assignors' respective knowledge, each Assignee has full right to convey the interest free and clear of any encumbrance.

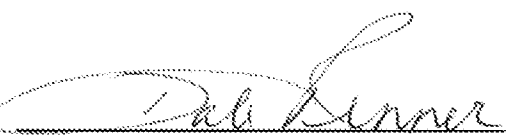

In witness whereof, Assignors each set their hand and seal, intending to be legally bound and intending that this Assignment be recorded.
