PATENT OWNERSHIP CONFIRMATION

For valuable consideration, each of the following inventors, **Florian Schuephaus**, and **Silvan Fiedler** formally assigns to **Airbus Deutschland GmbH**, a German corporation having a place of business at **Kreetslag 10, 21129 Hamburg, Germany**, and its successors and assigns (collectively hereinafter called "the Assignee"), his/her entire right, title and interest throughout the world in the inventions and improvements which are the subject of an application for United States Patent entitled "**Ceiling Lining Panels For An Aircraft Cabin**," and which claims priority to **European Community Application No. 000709142**, filed on April 18, 2007 ("the priority application"). Each inventor also acknowledges that the priority application was filed with his/her knowledge and consent. This document applies to this U.S. application, and any other U.S. continuing application based thereon or any and all United States patent granted for any of the inventions or improvements disclosed in this application. This document authorizes the Assignee to apply in all countries, in our names or in its own name, for any patents, utility models, design registrations or other rights of exclusion or for inventors' certificates for these inventions and improvements. Also, to fully effectuate this document, each of us agrees for ourselves and our heirs, legal representatives and assigns, and without further compensation, to perform such lawful acts and to sign such further applications, assignments, preliminary statements, and/or other lawful documents, as the Assignee may reasonably request.
