AMENDMENT NUMBER FIVE TO PATENT SECURITY AGREEMENT

This AMENDMENT NUMBER FIVE TO PATENT SECURITY AGREEMENT, dated as of August 23, 2010 (this "Amendment"), is delivered pursuant to Section 5 of that certain Patent Security Agreement, dated as of February 17, 2009 (the "Patent Security Agreement"), among the Grantors listed on the signature pages thereof (collectively, the "Grantors" and each a "Grantor"), and WELLS FARGO CAPITAL FINANCE, LLC (formerly known as Wells Fargo Foothill, LLC), a Delaware limited liability company, in its capacity as Agent for the Lender Group and the Bank Product Providers (in such capacity, together with its successors, if any, in such capacity, "Agent"). Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Patent Security Agreement, which by this reference is incorporated herein.

WHEREAS, the Grantors and Agent wish to amend the Patent Security Agreement by amending Schedule I to the Patent Security Agreement to add the patents appearing on Exhibit A hereto, and have agreed to do so.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree to amend the Patent Security Agreement as follows:

1. Each Grantor and Agent hereby agree that Schedule I to the Patent Security Agreement is hereby amended by adding the patents appearing on Exhibit A hereto (the "Additional Patents"), and such Additional Patents shall secure all Secured Obligations.

2. Each Grantor hereby: (a) reaffirms all prior grants of security interests in favor of Agent in all of such Grantor's right, title, and interest in, to, and under the Patent Collateral identified on Schedule I to the Patent Security Agreement prior to the effectiveness of this Amendment; (b) grants, assigns, transfers, and conveys to Agent continuing security interests in all of such Grantor's right, title, and interest in, to, and under the Additional Patents; (c) represents and warrants that the representations and warranties in the Patent Security Agreement, as amended by this Amendment, are true and correct in all material respects on and as of the date hereof, as though made on such date; and (d) agrees that the Patent Security Agreement as amended hereby is and shall remain in full force and effect.

3. THE VALIDITY OF THIS AMENDMENT, THE CONSTRUCTION, INTERPRETATION, AND ENFORCEMENT HEREOF, AND THE RIGHTS OF THE PARTIES HERETO WITH RESPECT TO ALL MATTERS ARISING HEREUNDER OR RELATED HERETO SHALL BE DETERMINED UNDER, GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF CALIFORNIA.

4. This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Amendment by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Amendment. Any party delivering an executed counterpart of this Amendment by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Amendment but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Amendment.

5. This Amendment is a Loan Document.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the undersigned parties hereto have executed this Agreement by and through their duly authorized officers, as of the day and year first above written.
