THIS PATENT SECURITY AGREEMENT ("Agreement") is dated to be effective as of July 29, 2010, by and between COMPUTER ACCESS TECHNOLOGY CORPORATION, a Delaware corporation ("Pledgor"), to and for the benefit of MANUFACTURERS AND TRADERS TRUST COMPANY, a New York banking corporation, in its capacity as Agent (in such capacity "Agent"), and the other "Secured Parties" (as such term is defined below).

Whereas, pursuant to and upon the terms and subject to the conditions set forth in the Amended and Restated Credit Agreement dated to be effective as of even date herewith (as the same may be amended, modified, extended, renewed, restated, supplemented, or replaced from time to time, "Credit Agreement,") by and between LeCroy Corporation, a Delaware corporation ("Borrower") and the Secured Parties, the "Lenders," the "Swingline Lender," and the "Issuing Lender" (as such terms are defined below) have severally agreed to provide various credit accommodations to or for the benefit of the Borrower.

All of the existing and future obligations of the Borrower to the Secured Parties are guaranteed by the Pledgor pursuant to a Guaranty Agreement dated as of even date herewith by the Pledgor to the Agent for the benefit of the Secured Parties (as the same may be amended, modified, extended, renewed, restated, supplemented or replaced from time to time, the "Guaranty").

Pursuant to the Security Agreement dated to be effective as of even date herewith (as the same may be amended, modified, extended, renewed, restated, supplemented, or replaced from time to time, "Security Agreement"), by and between the Pledgor and the Agent, the Pledgor has granted to the Agent for the ratable benefit of the Secured Parties a continuing security interest in all of the Pledgor's tangible and intangible assets and properties, whether presently owned or hereafter acquired and wherever located.

Whereas, it is a condition precedent to the agreements of the Secured Parties under the Credit Agreement that the Pledgor, among other things, shall have executed and delivered this Agreement to further evidence and facilitate recordation with the United States Patent and Trademark Office of the security interests of the Secured Parties in the "Patents" (as such term is defined below).

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Pledgor hereby agrees as follows:

Section 1. Defined Terms. As used in this Agreement, the terms set forth in this Section 1 have the meanings set forth below, unless the specific context of this Agreement clearly requires a different meaning. Section 1.7. "Swingline Lender" means Manufacturers and Traders Trust Company, a New York Banking corporation, or its successors, in its capacity as provider of Swingline Loans under the Credit Agreement.

Section 2. Grant Of Security Interest. As security for the complete and timely payment, performance and satisfaction of all of the Obligations and in order to induce the Secured Parties to enter into the Credit Agreement and provide the respective credit accommodations set forth in the Credit Agreement, the Pledgor hereby assigns as collateral, mortgages, pledges, and hypothecates to the Agent, and hereby grants to the Agent, for the ratable benefit of the Secured Parties, and hereby assigns as collateral, mortgages, pledges, and hypothecates to the Secured Parties, and hereby grants to the Secured Parties, a security interest in, all of all of the Pledgor's right, title and interest in, to and under the following, whether now owned or existing or hereafter acquired (all of which being hereinafter collectively called the "Collateral"):

- a. all Patents;
- b. all general intangibles, contract rights, documents, instruments, and other rights relating to or arising from the Patents;
- c. to the extent not otherwise included, all proceeds and products of any and all of the foregoing; and
- d. all records and writings relating or pertaining to any of the above.

Section 3. Representations And Warranties. The Pledgor hereby represents and warrants that:

3.1 Title; No Other Liens. Except for the liens, pledges and security interests granted to the Agent for the ratable benefit of the Secured Parties, and to the Secured Parties, pursuant to this Agreement, the Pledgor owns each item of the Collateral free and clear of any and all liens or claims of others. To the best of the Pledgor's knowledge, no security agreement, financing statement or other public notice with respect to all or any part of the Collateral is on file or of record in any public office, except such as may have been filed in favor of the Agent or any of the Secured Parties pursuant to this Agreement.

3.2 Perfected First Priority Liens. Upon the filing and acceptance for recordation in the United States Patent and Trademark Office of this Agreement (or with respect to patents issued and pending in jurisdictions outside of the United States, the applicable jurisdiction) the security interests and liens granted pursuant to this Agreement will constitute perfected security interests and liens in and to the Collateral in favor of the Agent, for the ratable benefit of the Secured Parties and in favor of the Secured Parties, which are prior to all other liens in or to the Collateral in existence on the date hereof and which are enforceable as such against all creditors of and purchasers from the Pledgor.

3.3 Patents. Exhibit A hereto includes all Patents owned by the Pledgor as of the date hereof. To the best of the Pledgor's knowledge, each such Patent is, to the extent applicable, valid, subsisting, unexpired, enforceable and has not been abandoned. Except as set forth in such Exhibit A or in the ordinary course of the Pledgor's business, none of such Patents is the subject of any licensing or franchise agreement. To the best of the Pledgor's knowledge, no holding, decision or judgment has been rendered by any Governmental Authority which would limit, cancel or question the validity of any such Patent. To the best of the Pledgor's knowledge, no action or proceeding is pending: (a) seeking to limit, cancel or question the validity of any such Patent; or (b) which, if adversely determined, would have a material adverse effect on the value of any such Patent.

3.4 Chief Executive Office. The Pledgor's chief executive office is located at 3385 Scott Boulevard, Santa Clara, California 95054.

Section 4. Covenants. The Pledgor covenants and agrees for the benefit of the Secured Parties that, from and after the Date of this Agreement until all of the Obligations have been paid in full and there exists no contingent or noncontingent commitment which could give rise to any Obligations:

Section 4.1. The Pledgor, consistent with good business judgment, shall (either itself or through licensees): (a) continue to maintain such Patent and the registration of the Patent in full force, free from any adverse claim; (b) maintain as in the past the quality of products and/or processes made, sold, or offered under each Patent; (c) employ each Patent with the appropriate notice of registration; (d) not knowingly adopt or use any goods and/or processes or methods which are confusingly similar to, or a colorable imitation of, any patent owned by a third party not believed by Pledgor to be invalid; (e) use proper statutory notice and markings in connection with its making, using or selling goods and/or processes or methods covered by the Patents; and (f) not do any act, or omit to do any act, whereby any Patent may become invalidated. The Pledgor will not, without the Agent's prior written consent, enter into any agreement (for example, a license agreement) which is inconsistent with the Pledgor's obligations under this Agreement, the Guaranty, the Security Agreement, or any of the other Loan Documents, or the Borrower's obligations under the Credit Agreement or any other Loan Documents, and the Pledgor further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would materially adversely affect the validity or enforcement of the rights transferred to the Agent and other Secured Parties pursuant to this Agreement, the Security Agreement, or any other Loan Document.

Section 4.2. In each case in which, after the date of this Agreement, the Pledgor shall: (a) obtain rights to any Patents not listed on Exhibit A hereto or to any licenses relating to any such Patents; or (b) become entitled to the benefit of any Patent not listed on Exhibit A hereto or to the benefit of any license renewal, the security interest of the Secured Parties granted hereunder shall automatically attach thereto. The Pledgor shall give the Agent prompt written notice of any patents to which the Pledgor has obtained rights, provided, however, so long as no Default or Event of Default has occurred and is continuing, the Pledgor may provide such notice to the Agent quarterly, within forty-five (45) days after the end of each fiscal quarter of each Fiscal Year, and such notice shall include all patents to which the Pledgor has received rights within such fiscal quarter. Promptly after request by the Agent and at the Pledgor's expense, the Pledgor shall execute and deliver to the Agent, in form and content reasonably satisfactory to the Agent and in proper form for filing in the United States Patent and Trademark Office or the applicable office of any other jurisdiction, such security agreements, assignments or other documents as may be reasonably required by the Agent in order to reflect of record the Secured Parties' interest therein pursuant to this Agreement. The Pledgor further agrees, at its expense, promptly to do, make, execute and deliver all such additional and further acts, things, deeds, assurances, instruments and documents as the Agent may reasonably request from time to time to vest in and assure to the Secured Parties their rights under this Agreement or in any of the Collateral, and the Pledgor hereby constitutes the Agent its attorney-in-fact to execute and file all such additional instruments and documents for the foregoing purposes, all lawful acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable until the Obligations have been satisfied in full and there exists no contingent or noncontingent commitment which could give rise to any Obligations.

Section 4.3. The Pledgor will promptly notify the Secured Parties if it knows, or has reason to know, that any Patent may become abandoned or dedicated, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States

Patent and Trademark Office or any state, federal, or foreign court or tribunal) regarding the Pledgor's ownership of any such Patent or its right to register the same or to keep and maintain the same.

Section 4.4. Consistent with good business judgment, the Pledgor will maintain, preserve and protect all of the Patents free of any conflict with the rights of any other Person. Without limitation of the foregoing, the Pledgor, consistent with good business judgment, shall have the duty to: (i) pay all taxes, fees or other amounts necessary to maintain in full force and effect all of the Patents; (ii) prosecute diligently any application relating to the Patents pending as of the date hereof or thereafter; (iii) make application on any Patents which have not been registered but which may be registered; and (iv) preserve and maintain all rights in applications and registrations of the Patents. Any expenses incurred in connection with such applications shall be paid by the Pledgor, and none of the Secured Parties shall have any obligation or liability to pay any taxes or fees, nor shall any of the Secured Parties have any duties in connection with applications or maintenance of rights in any Patents.

Section 4.5. Except as permitted under the terms and conditions of the Credit Agreement, without the Agent's prior written consent, the Pledgor shall not sell or assign its interest in, or grant any license under, any of the Patents.

Section 4.6. In the event that any Patent included in the Collateral is infringed by a third party, the Pledgor shall promptly take appropriate action consistent with good business judgment, including suing for infringement, seeking injunctive relief where appropriate, recovering any and all damages for such infringement or taking such other actions as the Pledgor shall reasonably deem appropriate under the circumstances to protect such Patent. The Pledgor shall notify the Secured Parties promptly after it learns of such infringement and shall provide all information as the Secured Parties may require as to what actions Pledgor has taken or proposes to take with respect to same.

Section 5. Agent's Appointment As Attorney-In-Fact.

Section 5.1. Powers. The Pledgor hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of the Pledgor and in the name of the Pledgor or in its own name, from time to time in the Agent's discretion after the occurrence and during the continuance of any Event of Default, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, the Pledgor hereby gives the Agent the power and right, on behalf of the Pledgor, without notice to or assent by the Pledgor, to do the following:

a. to pay or discharge taxes and liens levied or placed on or threatened against the Collateral; and

b. without limitation of rights granted to the Agent under other provisions of this Agreement: (i) to ask, demand, sue for, compromise, settle and collect and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (ii) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any thereof and to enforce any other right in respect of any Collateral; (iii) to defend any suit, action or proceeding brought against the Pledgor with respect to any Collateral; (iv) to settle, compromise or adjust any suit, action or proceeding described in clause (ii) or (iii) above and, in connection therewith, to give such discharges or releases as the Agent may deem appropriate; (v) to assign, license or otherwise transfer any Patent or interests therein or thereunder for such term or terms, on such conditions, and in such manner, as the Agent shall in its sole discretion determine; and (vi) generally, to sell, transfer, assign, license, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Agent were the absolute owner thereof for all purposes, and to do, at the Agent's option and the Pledgor's expense, at any time, or from time to time, all acts and things which the Agent deems necessary to protect, preserve or realize upon the Collateral and the liens of the Secured Parties thereon and to effect the intent of this Agreement, all as fully and effectively as the Pledgor might do. The Pledgor hereby ratifies all that said attorneys-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable.

Section 5.2. Other Powers. The Pledgor authorizes the Agent and each other Secured Party, at any time and from time to time, to execute, in connection with any sale provided for in Section 8 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

Section 5.3. No Duty. The powers conferred on the Agent and the other Secured Parties hereunder are solely to protect the interests of the Secured Parties in the Collateral and shall not impose any duty upon any of them to exercise any such powers. The Secured Parties shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees, attorneys or agents shall be responsible to the Pledgor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

Section 6. Performance By Agent Of Pledgor's Obligations. If the Pledgor fails to perform or comply with any of its agreements contained herein and any of the Secured Parties, as provided for by the terms of this Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the Pledgor shall pay to the Agent the expenses of the Secured Parties incurred in connection with such performance or compliance, together with interest thereon which shall accrue at the highest rate of interest authorized by the Loan Documents upon the occurrence of an Event of Default.

Section 7. Remedies. If an Event of Default shall occur and be continuing:

a. All cash, checks, drafts, money orders and other items of payment constituting Collateral, or collections or other proceeds of Collateral, received by the Pledgor shall be held by the Pledgor in trust for the Secured Parties, shall be segregated from other funds of the Pledgor and shall forthwith upon receipt by the Pledgor, be turned over to the Agent, in the same form as received by the Pledgor (duly endorsed by the Pledgor to the Agent if required), and any and all such collections and other proceeds of Collateral so received by the Agent (whether from the Pledgor or otherwise) may, in the sole discretion of the Agent, be held by the Agent as collateral security for, and/or then or at any time thereafter applied in whole or in part by the Agent against, such of the Obligations (whether matured or unmatured), and in such order, as is set forth in the Credit Agreement.

b. The Agent may take exclusive possession of any or all of the Collateral from time to time and/or place a custodian in exclusive possession of any or all of the Collateral from time to time and, so far as the Pledgor may give authority therefor, enter upon any premises on which any of the Collateral may be situated and remove the same therefrom, the Pledgor hereby waiving, to the extent permitted by applicable law, any and all rights to prior notice and to judicial hearing with respect to repossession of Collateral, and/or require the Pledgor, at the Pledgor's expense, to assemble and deliver any or all of the Collateral to such place or places as the Agent may reasonably request.

c. At the Pledgor's expense, continue or complete, or cause to be continued or completed, performance of obligations of the Pledgor under any accounts, chattel paper, contracts, instruments or general intangibles, and, for such purpose, use, operate, manage, control and exercise all rights of the Pledgor relating to, any or all of the Collateral, and collect all income and revenues therefrom.

d. The Agent may exercise, in addition to all other rights and remedies granted to the Agent or the Secured Parties in this Agreement and in any other Loan Document and in addition to all other rights and remedies available to the Agent or the Secured Parties under applicable law, all rights and remedies of a secured party under the Uniform Commercial Code, in effect from time to time in the State of New York. Without limiting the generality of the foregoing, the Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law) to or upon the Pledgor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may forthwith sell, liquidate, license, assign, give options to purchase, or otherwise dispose of and realize upon the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Agent or any Secured Party, or at any or all of the places of business of the Pledgor, or elsewhere, upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Agent or any Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in the Pledgor, which right or equity is hereby waived and

released. The Agent shall apply the net proceeds of any such sale, license, assignment or other disposition of or realization upon any of the Collateral, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to repossession, holding, preparing for sale, license, assignment or other disposition, selling, licensing, assigning or otherwise disposing of any of the Collateral or in any way relating to the Collateral or the rights of the Agent or any Secured Party hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of such of the Obligations (whether matured or unmatured), and in such order, as is set forth in the Credit Agreement, and only after such application and after the payment by the Agent of any other amount required by any provision of law, need the Agent account for the surplus, if any, to the Pledgor. In no event shall the Pledgor be credited with any part of the proceeds of liquidation, sale, assignment, licensing or other disposition of any of the Collateral until final payment thereon has been received by the Agent in immediately available funds. To the extent permitted by applicable law, the Pledgor waives all claims, damages and demands it may acquire against the Agent or any Secured Party arising out of the exercise by any of them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed commercially reasonable and proper if given at least five (5) Business Days before such sale or other disposition. The Pledgor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay in full the Obligations and all costs and expenses, including reasonable attorneys' fees and disbursements, paid or incurred by any of the Secured Parties in collecting any such deficiency.

Section 8. Proceeds. If an Event of Default shall have occurred and be continuing, any and all proceeds received by the Agent (whether from the Pledgor or otherwise) may, in the sole discretion of the Agent, be held by the Agent, for the ratable benefit of the Secured Parties, as collateral security for, and/or then or at any time thereafter applied in whole or in part by the Agent against, such of the Obligations (whether matured or unmatured) in accordance with the Credit Agreement.

Section 9. Expenses. The Pledgor agrees to pay to the Agent for the benefit of the Secured Parties upon demand from time to time the amount of all expenses, including reasonable attorneys' fees and disbursements, paid or incurred by any of the Secured Parties in exercising or enforcing any of their rights under this Agreement, recording this Agreement or any other document in public offices, or any other fees or disbursements in connection with protecting, preserving, or maintaining the Patents.

Section 10. Limitation on Duties Regarding Preservation of Collateral. The sole duty of any of the Secured Parties with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the Uniform Commercial Code (in effect from time to time in the State of New York) or otherwise, shall be to deal with it in the same manner as such Secured Party deals with similar property for its own account. None of the Secured Parties, nor any of their respective directors, officers, employees, attorneys or agents, shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of the Pledgor or otherwise.

Section 11. Patent And Trademark Office And Third Parties May Rely Upon Pledgor's Authorizations To Agent. If the Secured Parties shall elect to exercise any of their rights hereunder, the United States Patent and Trademark Office and all other persons and entities shall have the right to rely upon the Agent's written statement of the rights of the Agent on behalf of the Secured Parties to sell, assign, license and transfer the Patents and the Pledgor hereby irrevocably and unconditionally authorizes the United States Patent and Trademark Office and all other persons and entities to recognize such sale by the Agent for the benefit of the Secured Parties either in name of the Pledgor or the Secured Parties without the necessity or obligation of the United States Patent and Trademark Office or any other persons and entities to ascertain the existence of any default by the Pledgor under the Loan Documents, or any other fact or matter relating to the entitlement of the Agent or the other Secured Parties to exercise their rights hereunder.

Section 12. Powers Coupled With An Interest. All authorizations and agencies herein contained with respect to the Collateral are irrevocable and powers coupled with an interest.

Section 13. Waiver of Trial By Jury. THE PLEDGOR, BY ITS EXECUTION OF THIS AGREEMENT, AND EACH OF THE SECURED PARTIES, BY ITS ACCEPTANCE OF THIS AGREEMENT, HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING

OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 14. Additional Waivers. The Pledgor hereby waives, to the extent the same may be waived under applicable law: (a) notice of acceptance of this Agreement by the Secured Parties; (b) all claims, causes of action and rights of the Pledgor against any of the Secured Parties on account of actions taken or not taken by any of them in the exercise of any of their rights or remedies under this Agreement or under Law, provided that the same did not arise from their gross negligence or willful misconduct; and (c) all claims and causes of action of the Pledgor against any of the Secured Parties for punitive, exemplary or other non-compensatory damages, unless such claims arose on account of willful misconduct.

Section 15. Severability. Any provisions of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 16. Successors And Assigns. The terms, covenants and conditions contained in this Agreement shall inure to the benefit of the Pledgor and each of the Secured Parties and their respective successors and assigns, except that the Pledgor may not assign or transfer any of its rights or obligations under this Agreement without the written consent of the Required Lenders.

Section 17. Paragraph Headings. The paragraph headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

Section 18. No Waiver; Cumulative Remedies. None of the Secured Parties shall by any act (except by a written instrument pursuant to Section 19 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy under this Agreement or any of the other Loan Documents or to have acquiesced in any Default or Event of Default under the Credit Agreement or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of any of the Secured Parties, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by any of the Secured Parties of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which any of the Secured Parties would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights or remedies provided in any other Loan Document or by law.

Section 19. Waivers and Amendments; Governing Law. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Pledgor and the Agent, provided that any provision of this Agreement may be waived by the Agent with the consent of the Required Lenders in a written letter or agreement executed by the Agent. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PLEDGOR AND EACH OF THE SECURED PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK, EXCLUSIVE OF PRINCIPLES OF CONFLICTS OF LAWS.

Section 20. Notices. All notices, requests and demands to or upon the Pledgor to be effective shall be in writing and, unless otherwise expressly provided herein, shall be given in the manner specified in the Guaranty for the giving of notices under the Guaranty. All notices, requests and demands to or upon any of the Secured Parties to be effective shall be in writing, and, unless otherwise expressly provided herein, shall be given in the manner specified in the Credit Agreement for the giving of notices under the Credit Agreement. Notwithstanding anything to the contrary, all

notices, requests, and demands upon the Pledgor from any of the Secured Parties actually received in writing by the Pledgor shall be considered to be effective upon the receipt thereof by the Pledgor regardless of the procedure or method utilized to accomplish delivery thereof to the Pledgor.

Section 21. Authority of Agent. The Pledgor acknowledges that the rights and responsibilities of the Agent under this Agreement with respect to any action taken or not taken by the Agent or the exercise or nonexercise by the Agent of any option, right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as among the Agent, the Lenders, the Swingline Lender and the Issuing Lender, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Agent and the Pledgor, the Agent shall be conclusively presumed to be acting as Agent for the Lenders, the Swingline Lender, and the Issuing Lender with full and valid authority so to act or refrain from acting, and the Pledgor shall not be under any obligation, or entitlement, to make any inquiry respecting such authority.
