3. AUTHORIZATION AND REQUEST. Grantor authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks record this security interest.

4. COVENANTS AND WARRANTIES. Grantor represents, warrants, covenants and agrees as follows, which shall be in addition to those covenants and warranties set forth in the Security Agreement:

(a) This Agreement, creates, and in the case of after-acquired Intellectual Property Collateral, will create at the time Grantor first has rights in such after-acquired Intellectual Property Collateral, in favor of Collateral Agent, a valid and perfected, security interest in the Intellectual Property Collateral securing the payment and performance of the Obligations, upon making the filings referred to in Section 4(b) below, subject only to Approved Liens; and

(b) Except for, and upon, the filings with, as applicable, (1) the United States Patent and Trademark Office, (2) the Register of Copyrights and (3) the UCC Division of the office of the applicable Secretary of State, necessary to perfect the security interests created hereunder, and except as has been already made or obtained, no authorization, approval or other action by, and no notice to or filing with, any United States governmental authority or United States regulatory body is required either (i) for the grant by Grantor of the security interest granted hereby or for the execution, delivery or performance of this Agreement by Grantor or (ii) for perfection in the United States or the exercise by Collateral Agent of its rights and remedies hereunder.

5. COLLATERAL AGENT'S RIGHTS. Collateral Agent shall have the right, but not the obligation, to take, at Grantor's sole expense, any actions that Grantor is required to take under this Agreement but which Grantor fails to take after notice to Grantor of any such failure and expiration of any applicable grace period. Grantor shall reimburse and indemnify Collateral Agent for all costs and reasonable expenses incurred in Collateral Agent's exercise of its rights under this Section 5.

6. FURTHER ASSURANCES; ATTORNEY IN FACT.

(a) On a continuing basis and promptly after Collateral Agent's request therefor, Grantor will make, execute, acknowledge and deliver all such instruments, including appropriate financing and continuation statements and collateral agreements and filings for the United States Patent and Trademark

Office and the Register of Copyrights, and take all such further action as may be requested by Collateral Agent, to perfect Collateral Agent's security interest in all Intellectual Property, and otherwise to carry out the intent and purposes of this Agreement, or for assuring and confirming to Collateral Agent the grant or perfection of a security interest in all Intellectual Property Collateral.

(b) Grantor hereby irrevocably appoints Collateral Agent as Grantor's attorney-in-fact, with full authority in the place and stead of Grantor and in the name of Grantor, from time to time in Collateral Agent's discretion, (but subject to the proviso below) to take any action and to execute any instrument which may be necessary or advisable to accomplish the purposes of this Agreement, including (i) to modify, in its discretion, this Agreement without first obtaining Grantor's approval of or signature to such modification by amending **Exhibit A**, **Exhibit B** or **Exhibit C** hereof, as appropriate, to include reference to any material right, title or interest in any Intellectual Property acquired by Grantor after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property in which Grantor no longer has or claims any right, title or interest, (ii) to file, in its discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Intellectual Property Collateral without the signature of Grantor where permitted by law, and (iii) to transfer the Intellectual Property Collateral into the name of Collateral Agent or a third party to the extent permitted under the UCC; *provided*, that Collateral Agent agrees that it shall not exercise its powers as attorney-in-fact under this **Section 6(b)(iii)** except upon the occurrence and during the continuance of an Event of Default. Collateral Agent agrees to provide notice of any action taken by Collateral Agent under this **Section 6(b)** promptly following such action.

7. EVENTS OF DEFAULT. The occurrence of any "Event of Default" as defined in the Security Agreement shall constitute an "*Event of Default*" under this Agreement.

8. REMEDIES. After any Event of Default shall have occurred and while such Event of Default is continuing, Collateral Agent may exercise in addition to all other rights and remedies granted to it under this Agreement, the Security Agreement and under any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Uniform Commercial Code as the same may from time to time be in effect in the State of California (and each reference in this Agreement to an Article thereof (denoted as a Division of the UCC as adopted and in effect in the State of California) shall refer to that Article (or Division, as applicable) as from time to time in effect ("*UCC*"), including, without limitation, the right to require Grantor to assemble the Intellectual Property Collateral and any tangible property in which Collateral Agent has a security interest and to make it available to Collateral Agent at a place designated by Collateral Agent. Collateral Agent shall have a nonexclusive, royalty free license or other right, solely pursuant to the provisions of this **Section 8**, to use, without charge, the Intellectual Property and any property of a similar nature as it pertains to the Intellectual Property Collateral, to the extent necessary to permit Collateral Agent to exercise its rights and remedies pursuant to this **Section 8**, including, without limitation, the completion of production, advertising for sale and the sale of any Intellectual Property Collateral and, in connection with Collateral Agent's exercise of its rights hereunder, Grantor's rights under all licenses and all franchise agreements shall inure to the benefit of Collateral Agent. Grantor will pay any expenses (including reasonable attorneys' fees) incurred by Collateral Agent in connection with the exercise of any of Collateral Agent's rights under this Agreement, including, without limitation, any expense incurred in disposing of the Intellectual Property Collateral. All of Collateral Agent's rights and remedies with respect to the Intellectual Property Collateral shall be cumulative.

9. INDEMNITY. Grantor agrees to defend, indemnify and hold harmless Collateral Agent and each of its officers, employees, and agents against: (a) all obligations, demands, claims and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this Agreement and (b) all losses or expenses in any way suffered, incurred, or paid by Collateral Agent as a result of or in any way

arising out of, following or consequential to transactions between Collateral Agent and Grantor, whether under this Agreement or otherwise (including, without limitation, reasonable attorneys' fees and expenses), except for losses arising from or out of Collateral Agent's gross negligence or willful misconduct.

10. SUCCESSORS AND ASSIGNS. This Agreement and all obligations of Grantor hereunder shall be binding upon the successors and assigns of Grantor, and shall, together with the rights and remedies of Collateral Agent hereunder, inure to the benefit of Collateral Agent and their respective successors and assigns. No sales of participations, other sales, assignments, transfers or other dispositions of any agreement governing or instrument evidencing the Obligations or any portion thereof or interest therein shall in any manner affect the security interest created herein and granted to Collateral Agent hereunder.

11. REINSTATEMENT. This Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against Grantor for liquidation or reorganization, should Grantor become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of Grantor's property and assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

12. TERMINATION OF THIS AGREEMENT. Subject to Section 11 above, this Agreement shall terminate upon the indefeasible payment and performance in full of the Obligations.

13. NO FAILURE OR DELAY. No failure or delay on the part of Collateral Agent in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof.

14. AMENDMENTS. Except as otherwise provided herein, this Agreement may be amended only by a written instrument signed by both parties hereto.

15. COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which when so delivered shall be deemed an original, but all such counterparts shall constitute but one and the same instrument.

16. GOVERNING LAW. In all respects, including all matters of construction, validity and performance, this Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Colorado applicable to contracts made and performed in such state, without regard to the principles thereof regarding conflict of laws, except to the extent that the UCC provides for the application of another jurisdiction.

17. CONFLICT. In the event of a conflict between any term and/or provision contained in this Agreement with any term and/or provision contained in the Security Agreement, the term and/or provision of the Security Agreement shall govern.
