ASSIGNMENT

WHEREAS, Lighthouse Imaging Corporation and Dennis Leiner, respectively, own certain patented devices and inventions described on Schedule 2(a)(vi) attached hereto (collectively the "Inventions"); and

WHEREAS, each has full right to convey their entire interest, both legal and equitable, in and to said patents and inventions free from all prior assignments, agreements, licenses, mortgages, security interests, or other encumbrances whatsoever; and

WHEREAS, Lighthouse Imaging Acquisition, LLC ("Assignee"), having offices at C/O Anania & Associates Investment Company, LLC, 28 Sanford Dr., Gorham, ME 04038, is desirous of acquiring the entire right, title and interest in and to said Inventions and any and all patents to be obtained therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the undersigned, the undersigned do hereby sell, assign, transfer and set over unto said Assignee, its successors and assigns, their entire right, title and interest throughout the world in and to said Inventions, as described in the aforesaid schedule, in any form or embodiment thereof, and in and to any pending applications; and in and to any application filed in any foreign country based thereon, including the right to file said foreign applications and claim priority under the provisions of any international convention or treaty; also the entire right, title and interest throughout the world in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said Inventions and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said Inventions in this or any foreign country; and the undersigned hereby authorize and request the issuing authority to transfer and assign ownership of all patents of record and issue any and all patents on said application or applications to said Assignee or its successors and assigns.

The undersigned further agree, without any further payment or compensation by said Assignee or its successors and assigns, to communicate to said Assignee, its representatives or agents or its successors and assigns, any facts relating to said invention or inventions including evidence for interference purposes or for other legal proceedings whenever requested; testify in any interference or other legal proceedings, whenever requested; execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective; and generally do everything possible to aid said Assignee, its successors or assigns and nominees to secure, obtain and enforce proper patent protection for said invention or inventions in this or any foreign country.

IN TESTIMONY WHEREOF, the undersigned have hereunto set their hands and seals on the date after their signatures.
