EXHIBIT A

ASSIGNMENT

Whereas, Manhasset Orthotics and Prosthetics Ltd., (herein referred to "Assignor") having a place of business at 17 Weybridge Road, Mineola, NY is the owner of the entire right, title and interest in and to United States Letters Patent entitled "Socket Suction for Artificial Limb", US Patent No. 5,376,131 filed in the United States Patent Office, which patent is incorporated herein by this reference; and the invention(s) therein described; and

Whereas, Otto Bock HealthCare LP (herein referred to as "Assignee") is desirous of acquiring the entire right, title and interest in and to the said invention(s) within the United States of America and its territorial possessions and within the countries foreign to the United States if applicable and any United States or foreign Letters Patent that may be granted therefore; and in and to said applications;

Now, therefore, in consideration of \$1.00 paid by Assignee to the Assignor and other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned and transferred and by these presents does hereby sell, assign and transfer unto Assignee the entire right, title and interest in and to the said invention(s) within the United States of America and its territorial possessions and within all countries foreign to the United States and in and to any United States or foreign Letters Patent that may be granted therefore and in and to the said applications and in and to any and all divisions, reissues, continuations, continuations in part, and extensions thereof and in and to any Letters Patent that may be granted thereon, all said rights to be held and enjoyed by Assignee for its own use and enjoyment of its successors and assigns to the full end of the term or terms for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment, transfer and sale had not been made.

The Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks and all authorized officials of foreign patent offices to issue the said Letters Patent, when granted, to Assignee as the assignee of its entire right, title and interest in and to the same, for the sole use and enjoyment of Assignee, its successors and assigns.

In Testimony Whereof, the Assignor has caused the hand of its proper representative to be subscribed hereto this 4 day of August, 2010.
