Docket No. 6900-24ASSIGNMENT

WHEREAS, we, Peter Carlo REM of Jaagpad 5B, 2288 AB Rijswijk, The Netherlands and Laurens Anton VAN KOOY of Baron van Geltingenlaan 33A, 2273 CX Voorburg, The Netherlands, have made certain inventions which are described in an application for Letters Patent of the United States entitled METHOD AND DEVICE FOR THE SEPARATION OF PARTICLES executed by us on even date herewith preparatory to obtaining United States Letters Patent therefor, and

WHEREAS, Technische Universiteit Delft (hereinafter referred to as Assignee), having a place of business at Julianalaan 134, 2628 BL Delft, The Netherlands is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof,

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign and transfer unto Assignee, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof in and to said inventions, the aforesaid application, all other applications hereafter filed in the United States, based in whole or in part on said inventions, and all Letters Patents granted upon said applications by the United States, and we do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to Assignee. We further grant to Assignee, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

We hereby warrant that we have the full right to make the conveyance herein, and we hereby covenant that we, our heirs, legal representatives and assigns, will when requested, communicate to Assignee, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignments therefor, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid Assignee, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hands and seals at the location and on the date indicated with our signatures.
