## Assignment

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each undersigned inventor has sold and assigned, and by these presents hereby sells and assigns, unto Chemetall Foote Corporation, (hereinafter "ASSIGNEE") all right, title and interest in and to his invention relating to

## PRODUCTION OF LITHIUM DIPHENYLPHOSPHIDE

as set forth in their International Patent Application under the Patent Cooperation Treaty (hereinafter "PCT Application")

executed concurrently herewith

executed on \_\_\_\_\_

Serial No. PCT/US2009/000936 filed 13 February 2009

in and to said PCT Application including any and all national-phase patent applications which may hereafter be filed for said invention in any country or countries that are national phases of or claim priority to this PCT Application, and in and to any and all patents which may issue or may be granted on any such national-phase application or for said invention, including any and all reissues or extensions thereof, and all divisions, continuations, additions, extensions, renewals and reissues thereof and all rights of priority in any such country or countries that are national phases of or claim priority to the said PCT Application for which are created by any law, treaty or international convention; to be held and enjoyed by said ASSIGNEE, its successors, legal representatives and assigns to the full end of the term or terms for which any and all such Letters Patent may be granted as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made;

Each of the undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States or his foreign counterparts to issue any and all such Letters Patent to said ASSIGNEE, its successors or assigns in accordance herewith;

Each of the undersigned warrants and covenants that he has the full and unencumbered right to sell and assign the interests herein sold and assigned and that he has not executed and will not execute any document or instrument in conflict herewith;

Each of the undersigned further covenants and agrees that at any time upon request of said ASSIGNEE, its successors, legal representatives or assigns he will communicate to said ASSIGNEE, its successors, legal representatives or assigns all information known to him relating to said invention or patent application and that he will execute and deliver any papers, make all rightful oaths, testify in any legal proceedings and perform all other lawful acts deemed necessary or desirable by said ASSIGNEE, its successors, legal representatives or assigns to perfect title to said invention, to said application including divisions, continuations, reissues, extensions, additions and renewals thereof and to any and all Letters Patent which may be granted therefor or thereon, in said ASSIGNEE, its successors, or assigns or to assist said ASSIGNEE, its successors, legal representatives or assigns in obtaining, reissuing or enforcing PCT Application and any national-phase patent applications based on said PCT Application for said invention;

Each of the undersigned hereby grants to all practitioners at Chemetall Foote Corporation the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office or any other patent office for recordation of this Assignment.
