## ASSIGNMENT

WHEREAS, I, Charles E. Mehlhaf, of 5808 S. Lazy Ridge Place, Sioux Falls, SD 57108, did obtain United States Patent No. 6,948,669, issued September 27, 2005, for a new and useful invention entitled **APPARATUS FOR MIXING AND AERATING MATERIAL**, and whereas, I am now the sole owner of said patent; and

WHEREAS, Wildcat Mfg. Co., Inc., a corporation of the State of Delaware, having an address of 420 South Hwy 81, Freeman, South Dakota 57029, is desirous of acquiring all right, title and interest owned by me in and to (i) said invention and (ii) any and all Letters Patent of the United States and Letters Patent in any and all foreign countries which have been or may be obtained therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I do hereby sell, assign, transfer and set over unto the said Wildcat Mfg. Co., Inc., its legal representatives, successors and assigns, all right, title and interest owned by me in and to (i) said invention, as described in the above mentioned Patent, and (ii) all patents of the United States and in any and all foreign countries which may be issued for said invention, and (iii) all patent applications, continuations, continuations-in-part, divisionals, reexaminations and reissues of said invention as described in the above-mentioned application in the United States and in any and all foreign countries, as fully and completely as the same would have been held by me had this Assignment and sale not been made, together with any claims I may have for damages by reason of past infringement

with the right to sue for and collect the same and obtain all other possible remedies for its own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives. All my right, title and interest shall vest irrevocably in said Wildcat Mfg. Co., Inc. I further agree upon request, without additional compensation but at no expense to myself, to execute or assent to foreign applications, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the all my right, title and interest hereby transferred in Wildcat Mfg. Co., Inc., its legal representatives, successors and assigns, or as the said company may direct. I make no warranties or representations regarding the (i) said invention, as described in the above mentioned Patent, and (ii) any patents of the United States and in any and all foreign countries which may be issued for said invention, or (iii) any patent applications, continuations, continuations-in-part, divisionals, reexaminations and reissues of said invention as described in the above-mentioned application in the United States and in any and all foreign countries. Wildcat Mfg. Co., Inc. agrees that it is accepting such rights from me in their "as is" condition.

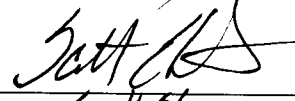

In exchange for this Assignment, Wildcat Mfg. Co., Inc., its legal representatives, successors and assigns, agrees to release, indemnify and hold me harmless from and against any and all liabilities, including costs, expenses, attorneys fees, experts fees and expenses of litigation, imposed upon, incurred by, or asserted against me relating in any way to (i) said invention, as described in the above mentioned Patent, and (ii) any patents of the United States and in any and all foreign countries which may be issued for said invention, and (iii) any patent applications, continuations, continuations-in-part, divisionals, reexaminations and reissues of said invention as described in the above-mentioned application in the United States and in any and all foreign countries.
