ASSIGNMENT

WHEREAS, I, WARD D. MORRISON, of Huntington, West Virginia, have made certain new and useful inventions as set forth in a United States patent application entitled **FAIL-RESISTANT HAMMER ASSEMBLY FOR A VALVELESS PERCUSSIVE DRILL**, filed April 8, 2008, and assigned Ser. No. 12/089,560, and in an International Patent Application filed January 31, 2008, and assigned Ser. No. PCT/US08/52600

AND WHEREAS, J.H. FLETCHER & CO., a corporation formed under the laws of Delaware having a place of business at 402 High Street, P.O. Box 2187, Huntington, West Virginia, is desirous of acquiring the entire right, title and interest in and to said inventions and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign, transfer and set over unto J.H. FLETCHER & CO., its legal representatives, successors, and assigns, the entire right, title and interest in and to said inventions as set forth in the above-mentioned applications, and in and to any and all patents of the United States and foreign countries which may be issued therefor;

UPON SAID CONSIDERATIONS, I hereby agree with the said assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and

obtaining original, divisional, continuation, continuation-in-part, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of assignor and assignee;

AND I request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said inventions to said J.H. FLETCHER & CO., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the inventions covered thereby.

Ward D. Morrison
