for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, do hereby sell and assign to BASF SE, a German corporation, of 67056 Ludwigshafen, Germany, its successors, assigns and legal representatives all my/our right, title and interest, in the United States, its territories and possessions, and in any and all countries foreign to the United States, in and to the invention entitled:

Rotomolding Process for Polyethylene Articles

invented by me/us and described in the application(s) for United States Letters Patent

- ☐ 1. (a) executed on even date herewith
- ☒ (b) Serial No. 12/762,847, filed April 19, 2010
- ☒ (Serial No. 61/214,236, filed April 21, 2009)

including (i) authorization to file corresponding applications for patents or other similar legal protection and continuations, continuations-in-part, supplementary disclosures, divisions or extensions thereof in any country foreign to the United States in which an assignee can apply for a patent or similar legal protection, (ii) any and all rights under international treaties, conventions, agreements, charters and laws in respect of the said invention, especially the right to claim priority based on the said application for United States Letters Patent, (iii) any and all Letters Patent or similar legal protection, which may be granted therefor, and all divisions, reissues, continuations and extensions thereof, said interest being the entire ownership of the said Letters Patent or similar legal protection when granted, to be held and enjoyed by BASF

SE, its successors, assigns or other legal representatives, to the full end of the term for which said Letter Patent or similar legal protection may be granted, and hereby further covenant and agree that I/we will at any time upon request, without charge to, but at the expense of BASF SE, execute such additional assignments and other lawful papers as BASF SE, may deem necessary or desirable, testify in any legal proceeding, execute all divisional, continuing, reissue and extension applications, make all rightful oaths, and generally do everything possible to aid BASF SE, its successors, assigns, and legal representatives, to obtain and enforce proper patent protection for said invention.

I/We hereby authorize and request my attorney/agent Tyler A. Stevenson (Reg. No. 46,388), Shiela A. Loggins (Reg. No. 56,221), and Mervin Wood (Reg. No. 56,711) to insert in the parentheses the filing date and application number of any non-provisional application corresponding to the provisional application identified in item 1 above when known.
