ASSIGNMENT

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we the undersigned,

Geoffrey B. Rhoads whose address is 2961 SW Turner Rd., West Linn, OR 97068, and

William Hein whose address is 151 Indiantown Rd., Glenmoore, PA 19343

1. Hereby sell, assign and transfer to DIGIMARC CORPORATION, a corporation of Delaware, having a place of business at 19801 SW 72 Ave., Suite 200, Tualatin, OR 97062, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries:

(a) in and to any and all inventions which are disclosed in the application for United States Letters Patent, which was executed by the undersigned and is:

Entitled: A Distributed System For Responding To Watermarked Documents
Docket Number: EWG-162 US

(b) in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions; and (c) in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions;

2. Agree that said Assignee may apply for and receive Letters Patent for said inventions in its own name; and that, when requested, (at the expense of said Assignee, its successors, assigns and legal representatives), the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said inventions and the history thereof; and generally do everything reasonable which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

3. Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
