("Assignors") have invented a certain new and useful inventions for which an application for letters patent with the particulars listed below has been filed, all of the inventions disclosed therein being referred to herein as the "Invention":

Title: Methods and Apparatuses for Freight Container Loading

Filing Date: April 17, 2007

Country of Filing: United States of America

Application No.: 11/736,434

WHEREAS, Adams Steel, LLC, ("Assignee") a limited liability company organized and existing under and by virtue of the laws of Delaware, and having its principal place of business at:

3200 East Frontera Street  
Anaheim, California,

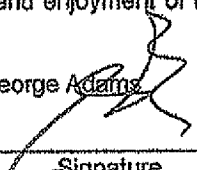

is desirous of acquiring the entire right, title and interest in and to the Invention, and in and to all patent rights relating thereto.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in good consideration of the sum of ONE DOLLAR (\$1.00) and other good and valuable considerations to us in hand paid, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and do hereby sell, assign and transfer unto the Assignee, the entire right, title and interest in and to the Invention and all letters patent in all countries of the world based thereon or corresponding thereto, and all divisional, continuing, continuation-in-part, and reissue applications therefore, and the patents which may be thereupon issued, including any and all rights to file applications and receive patents in all countries of the world, the same to be held and enjoyed by the Assignee to the full end of the term for which said letters patent may be granted, as fully and entirely as the same would have

been held and enjoyed by us had this assignment and sale not been made; and we hereby agree to sign all necessary papers and do all lawful acts reasonably requisite in connection with the prosecution, assignment, enforcement and disclaimer of each and every of said applications, without further compensation, but at the expense of the Assignee or its successors and assigns, and we assign to the Assignee all rights to sue for infringement, including past infringement if any, of any patent or patents based upon or corresponding to the invention.

AND, we do hereby authorize and request the officials of all countries in which patents relating to the invention are now or in the future will be issued to issue to the Assignee all of our entire right, title and interest in and to the same for the sole use and enjoyment of the Assignee, its successors and assigns.
